RISK FACTORS

WE HAVE A HISTORY OF OPERATING LOSSES AND THESE LOSSES MAY CONTINUE.

We have experienced significant losses since we began operations. We incurred net losses of approximately \$10.3 million for the year ended December 31, 1998 and approximately \$4.5 million for the year ended December 31, 1997 and a net loss of approximately \$6.6 million for the nine months ended September 30, 1999 as compared to a net loss of approximately \$7.5 million for the nine months ended September 30, 1998. As a result of these losses, we had an accumulated deficit of approximately \$42 million as of September 30, 1999. We will continue to incur losses until such time, if ever, as we derive significant revenues from the sale of our products.

OUR POTENTIAL FUTURE SUCCESS AND FINANCIAL PERFORMANCE WILL DEPEND ALMOST ENTIRELY ON OUR ABILITY TO SUCCESSFULLY MARKET THE ROBODOC SYSTEM.

For the near term, we expect to derive most of our revenues from sales of the ROBODOC System. Accordingly, our potential future success and financial performance will depend almost entirely on our ability to successfully market the ROBODOC System. To successfully market the ROBODOC System, we must commit substantial marketing efforts, develop an effective sales and marketing organization, and expend significant funds to inform potential customers, including hospitals and physicians, of the distinctive characteristics and advantages of using the ROBODOC System instead of traditional surgical tools and procedures. Since the ROBODOC System employs innovative technology, rather than being an improvement of existing technology, and represents a substantial capital expenditure, we expect to encounter resistance to change, which we must overcome if the ROBODOC System is to achieve significant market acceptance. Furthermore, our ability to market the ROBODOC System in the United States is dependent upon approval by the U.S. Food and Drug Administration. We cannot give you any assurance that we will obtain FDA approval to market the ROBODOC System in the United States, or that the ROBODOC System will achieve significant market acceptance in the United States, Europe and other foreign markets to generate sufficient revenues to become profitable.

ALTERNATIVES TO OUR PRODUCTS MAY AFFECT OUR POTENTIAL FUTURE SUCCESS.

The principal competition for the ROBODOC System is manual surgery performed by orthopaedic surgeons, using surgical power tools and manual devices. The providers of these instruments are the major orthopaedic companies, which include Howmedica, Inc. (a subsidiary of Stryker Corporation), located in New York; Zimmer, Inc. (a subsidiary of Bristol-Myers Squibb Company), located in Indiana; Johnson & Johnson Orthopaedics, Inc. (a subsidiary of Johnson & Johnson), located in New Jersey; DePuy, Inc. (a subsidiary of Johnson & Johnson) located in Indiana; Biomet, Inc., located in Indiana; and Osteonics, Inc. (a subsidiary of the Stryker Corporation), located in New Jersey.

Orto Maquet, a German manufacturer and major supplier of operating tables to hospitals and physicians in Europe, has entered the market with a device intended to compete with the ROBODOC System. Orto Maquet's system incorporates pin-based registration and requires a second surgical procedure to place pins in the patient's thigh bone prior to performing hip replacement surgery. Although Orto Maquet offers a pre-surgical planning station, only our ROBODOC System offers enhancements that allow the surgeon to plan and perform revision hip surgery, the replacement of a previous hip implant. Orto Maquet has relationships with hospitals and physicians throughout Europe as a supplier of operating tables and has greater financial, marketing and distribution resources than us. Several of our potential customers in Germany have decided to purchase the Orto Maquet system instead of the ROBODOC System due to their preference for doing business with a German company.

The principal competition for the NeuroMate System are frame-based and frameless navigators, which are manually operated. Approximately twenty navigator models have been introduced, including those by Radionics, Sofamor-Danek and Ohio Medical Surgical products, all located in the United States; Elekta,

located in Sweden; and Fischer Leibinger and Brain Lab, both located in Germany. In general, there are companies in the medical products industry capable of developing and marketing computer-controlled robotic systems for surgical applications, many of whom have significantly greater financial, technical, manufacturing, marketing and distribution resources than us, and have established reputations in the medical device industry. Furthermore, we cannot give you any assurance that IBM or the University of California, which developed the technology embodied in the ROBODOC System and hold patents relating thereto, will not enter the market or license the technology to other companies.

We cannot give you any assurance that future competition will not have a material adverse effect on our business. The cost of our systems represents a significant capital expenditure for a customer and accordingly may discourage purchases by certain customers.

WE NEED BUT HAVE NOT YET OBTAINED APPROVAL OF THE U.S. FOOD AND DRUG ADMINISTRATION TO MARKET THE ROBODOC SYSTEM IN THE UNITED STATES.

Before a new medical device can be introduced into the U.S. market, the manufacturer must obtain FDA permission to market through either the 510(k) pre-market notification process for medical devices which are substantially similar to other approved medical devices or the costlier, lengthier and less certain pre-market approval application process. Following a pre-filing meeting with representatives of the FDA in early 1998, we stated that we intended to file our pre-market approval application to market the ROBODOC System with the FDA in the second quarter of 1998. As a result of further discussions with representatives of the FDA as part of the pre-submission review process (which process is intended to expedite the FDA's formal pre-market approval process), we have deferred the filing of our pre-market approval application with the FDA so that we may incorporate our DigiMatch Single Surgery System, and possibly other technical developments, as part of our pre-market approval application. We believe, based upon our discussions with representatives of the FDA, that the incorporation of the DigiMatch Single Surgery System will enhance our prospects for obtaining FDA approval. However, we cannot give you any assurance as to when or if the FDA will grant pre-market approval for the ROBODOC System or that such approval, if obtained, will not include unfavorable limitations or restrictions.

In order to obtain FDA clearance or approval, we must demonstrate that the ROBODOC System is safe and effective, and we may be required to show a clinical benefit to patients. We believe that a reduced incidence of intraoperative fractures with the ROBODOC System compared to conventional total hip replacement surgery would offer an important benefit. The number of patients enrolled in our U.S. clinical study is less than the 300 patients (150 ROBODOC System; 150 control group) we initially requested to study in our investigational device exemption application to the FDA. Nonetheless, over 4,000 primary surgeries have been performed with the ROBODOC System in the U.S. clinical trial and the European treatment population without a single reported intraoperative fracture. Since the observed fracture rate in the control group in the U.S. clinical trial was lower than anticipated, the data from this study are not sufficient to establish a statistically significant reduction in intraoperative fractures compared to the control group. Nevertheless, the data from both the U.S. and the European group of patients suggest that the ROBODOC System reduces intraoperative fractures when compared to the fracture rate of approximately 3 to 28 percent for conventional surgery reported in the scientific and medical literature. However, we cannot give you any assurance that the FDA will agree that the ROBODOC System offers a clinically significant reduction in intraoperative fractures, in the absence of a controlled trial demonstrating such a reduction, or that such a reduction is of clinical benefit to patients.

The FDA has advised us that it believes long-term functional assessments are the primary endpoints for evaluating the safety and effectiveness of the ROBODOC System. Our preliminary review of the functional assessment data from the U.S. clinical trial shows equivalence between the ROBODOC System and conventional surgery. We believe that achieving better implant fit and alignment in the femoral cavity are significant factors in the success of cementless total hip replacement surgery, although the FDA has questioned whether fit is an appropriate endpoint and has not addressed alignment.

Our most recent statistical analysis of fit and alignment parameters from 3-month radiographs showed that the ROBODOC System surgeries produced better fit and alignment when compared to conventional surgeries. We believe a more accurate fit of the prosthesis reflects the implant manufacturers' design goals for implant cavity preparation. We also reviewed 24-month radiographs evaluating prosthesis stability. We cannot give you any assurance that the FDA will accept our data that demonstrates the ROBODOC System achieves better implant fit, alignment and stability, or that the FDA will agree that better fit and alignment are significant surgical endpoints. In addition, we cannot give you any assurance that the FDA will agree that the greater surgery time and blood loss associated with the ROBODOC System does not pose a significant safety concern or create an unfavorable risk/benefit ratio. Further, we cannot give you any assurance that the FDA will not require us to obtain additional clinical data from a randomized, controlled trial to resolve any concern about the risk/benefit ratio offered by the ROBODOC System. If we must obtain such additional data, the FDA review process could be prolonged by several years.

WE MAY NOT BE ABLE TO COMPLY WITH QUALITY SYSTEM AND OTHER FDA REPORTING AND INSPECTION REQUIREMENTS.

Assuming we obtain the necessary FDA approvals and clearances for our products, in order to maintain such approvals and clearances we must, among other things, register our establishment and list our devices with the FDA and with certain state agencies, maintain extensive records, report any adverse experiences on the use of our products and submit to periodic inspections by the FDA and certain state agencies. The Food, Drug, and Cosmetic Act also requires devices to be manufactured in accordance with the quality system regulation, which sets forth good manufacturing practices requirements with respect to manufacturing and quality assurance activities. The quality system regulation revises the previous good manufacturing practices regulation and imposes certain enhanced requirements that are likely to increase the cost of compliance, including design controls.

WE MAY NOT BE ABLE TO OBTAIN REGULATORY APPROVALS NEEDED TO SELL OUR PRODUCTS IN FOREIGN MARKETS.

The introduction of our products in foreign markets has subjected and will continue to subject us to foreign regulatory clearances, which may be unpredictable and uncertain, and which may impose substantial additional costs and burdens. Many countries also impose product standards, packaging requirements, labeling requirements and import restrictions on devices. We cannot give you any assurance that any of our products will receive further approvals or clearances, if required on a timely basis, or at all.

OUR ABILITY TO COMPETE SUCCESSFULLY MAY DEPEND, IN PART, ON OUR ABILITY TO OBTAIN AND PROTECT PATENTS, PROTECT TRADE SECRETS AND OPERATE WITHOUT INFRINGING THE PROPRIETARY RIGHTS OF OTHERS.

Certain robotic medical technology underlying our products is the subject of a United States patent issued to IBM, which IBM has agreed not to enforce against the manufacture and sale of our products. We have been issued four U.S. patents and filed seven patent applications covering various aspects of our technology.

Our U.S. patents include

- Computer assisted software system for planning and performing hip revision surgery
- Computer assisted system and method for creating cavities in the femur that will accept a prosthesis
- Computer system and method for creating a pre-operative surgical plan for hip replacement surgery
- Method for orienting real patient anatomy to a digital image of the patient's anatomy

We cannot give you any assurance that our pending or future patent applications will mature into issued patents, or that we will continue to develop our own patentable technologies. Further, we cannot give you any assurance that any patents that may be issued to us effectively protect our technology or provide a

competitive advantage for our products or will not be challenged, invalidated, or circumvented in the future. In addition, we cannot give you any assurance that competitors, many of which have substantially more resources than us and have made substantial investments in competing technologies, will not obtain patents that will prevent, limit or interfere with our ability to make, use or sell our products either in the United States or internationally.

The medical device industry has been characterized by substantial competition and litigation regarding patent and other proprietary rights. We intend to vigorously protect and defend our patents and other proprietary rights relating to our proprietary technology. Litigation alleging infringement claims against us (with or without merit), or instituted by us to enforce patents and to protect trade secrets or know-how owned by us or to determine the enforceability, scope and validity of the proprietary rights of others, is costly and time consuming. If any relevant claims of third-party patents are upheld as valid and enforceable in any litigation or administrative proceedings, we could be prevented from practicing the subject matter claimed in such patents, or could be required to obtain licenses from the patent owners of each patent, or to redesign our products or processes to avoid infringement. We cannot give you any assurance that such licenses would be available or, if available, would be available on terms acceptable to us or that we would be successful in any attempt to redesign our products or processes to avoid infringement. Accordingly, an adverse determination in a judicial or administrative proceeding or failure to obtain necessary licenses could prevent us from manufacturing and selling our products, which would have a material adverse effect on our business, financial condition and results of operations.

OUR PRODUCTION EXPERIENCE IS LIMITED.

Our success will depend in part on our ability to assemble our products in a timely, cost-effective manner and in compliance with good manufacturing practices, and manufacturing requirements of other countries, including the International Standards Organization 9000 standards and other regulatory requirements. The assembly of our products is a complex operation involving a number of separate processes and components. Our production activities to date have consisted primarily of assembling limited quantities of systems for use in clinical trials and systems for commercial sale. We do not have experience in assembling our products in larger commercial quantities. Furthermore, as a condition to receipt of pre-market approval, our facilities, procedures and practices will be subject to pre-approval and ongoing good manufacturing practices inspections by the FDA.

Manufacturers often encounter difficulties in scaling up manufacturing of new products, including problems involving product yields, quality control and assurance, component and service availability, adequacy of control policies and procedures, lack of qualified personnel, compliance with FDA regulations, and the need for further FDA approval of new manufacturing processes and facilities. We cannot give you any assurance that production yields, costs or quality will not be adversely affected as we seek to increase production, and any such adverse effect could have a material adverse effect on our business, financial condition and results of operations.

WE ARE DEPENDENT ON OUR SUPPLIER OF ROBOTS.

Although we have multiple sources for most of our components, parts and assemblies used in the ROBODOC and NeuroMate Systems, we are dependent on Sankyo Seiki of Japan for the ROBODOC System robot arm and Audemars-Piguet of Switzerland for the supply of the customized NeuroMate robot. Although we believe we can obtain a robot arm for either the ROBODOC System or the NeuroMate System from other suppliers, with appropriate modifications and engineering effort, we cannot give you any assurance that delays resulting from the required modifications or engineering effort to adapt alternative components would not have a material adverse effect on our business, financial condition and results of operations.

WE ARE DEPENDENT ON FOREIGN SALES.

Since we commenced operations, substantially all of our sales have been to customers in Germany, Austria, France and Japan. We believe that until such time, if ever, as we receive approval from the FDA to market the ROBODOC System in the United States, substantially all of our sales for the ROBODOC System will be derived from customers in foreign markets. Foreign sales are subject to certain risks, including economic or political instability, shipping delays, fluctuations in foreign currency exchange rates, changes in regulatory requirements, custom duties and export quotas and other trade restrictions, any of which could have a material adverse effect on our business. To date, payment for substantially all ROBODOC Systems in Europe has been fixed in U.S. Dollars. However, we cannot give you any assurance that in the future customers will be willing to make payment for our products in U.S. Dollars. If the U.S. Dollar strengthens substantially against the foreign currency of a country in which we sell our products, the cost of purchasing our products in U.S. Dollars would increase and may inhibit purchases of our products by customers in that country. We are unable to predict the nature of future changes in foreign markets or the effect, if any, they might have on us.

LENGTHY SALES CYCLE MAY CAUSE US TO RECOGNIZE THE SALES PRICE OF A SYSTEM IN A SUBSEQUENT FISCAL QUARTER TO THE FISCAL QUARTER IN WHICH WE INCURRED RELATED MARKETING AND SALES EXPENSES.

Since the purchase of a ROBODOC System or NeuroMate System represents a significant capital expenditure for a customer, the placement of orders may be delayed due to customers' internal procedures to approve large capital expenditures. We anticipate that the period between initial contact of a customer for a system and submission of a purchase order by that customer could be as long as 9 to 12 months. Furthermore, the current lead time required by the supplier of the robot for either the ROBODOC System or the NeuroMate System is approximately four months after receipt of the order. We may be required to expend significant cash resources to fund our operations until the purchase price is paid. Accordingly, we may not recognize the sales price of a system until a fiscal quarter subsequent to the fiscal quarter in which we incurred marketing and sales expenses associated with an order.

WE ARE SUBJECT TO PRODUCT LIABILITY CLAIMS.

The manufacture and sale of medical products exposes us to the risk of significant damages from product liability claims. Although we maintain product liability insurance against product liability claims in the amount of \$5 million per occurrence and \$5 million in aggregate, we cannot give you any assurance that the coverage limits of our insurance policies will be adequate or that such insurance can be maintained at acceptable costs. Although we have not experienced any product liability claims to date, a successful claim brought against us in excess of our insurance coverage could have a materially adverse effect on our business, financial condition and results of operations.

WE MAY NOT BE ABLE TO RETAIN OUR KEY PERSONNEL OR HIRE THE ADDITIONAL PERSONNEL WE NEED TO SUCCEED.

Our growth and future success also will depend in large part on the continued contributions of key technical and senior management personnel, as well as our ability to attract, motivate and retain highly qualified personnel generally and, in particular, trained and experienced professionals capable of developing, selling and installing the Systems and training surgeons in their use. Competition for such personnel is intense, and we cannot give you any assurance that we will be successful in hiring, motivating or retaining such qualified personnel. None of our executive or key technical personnel is employed pursuant to an employment agreement. The loss of the services of senior management or key technical personnel, or the inability to hire or retain qualified personnel, could have a material adverse effect on our business, financial condition and results of operations.

WE MAY NEED ADDITIONAL FINANCING FOR OUR OPERATIONS.

We may need additional financing since our available cash resources, together with anticipated cash flows from operations, may not be sufficient to continue our operations at current levels. Additional financing, if required, may not be available on acceptable terms, if at all. If we are unable to obtain financing on favorable terms, we may have to reduce operations, defer research and development projects and reduce staffing.

ADDITIONAL FINANCING FOR OUR OPERATIONS COULD ADVERSELY AFFECT HOLDERS OF OUR COMMON STOCK.

We may issue common stock or debt or equity securities convertible into shares of common stock to obtain additional financing if required. Any additional financing may result in substantial dilution to current holders of our common stock.

CONVERSION OF OUR PREFERRED STOCK AND SUBSEQUENT PUBLIC SALE OF OUR COMMON STOCK WHILE ITS MARKET PRICE IS DECLINING MAY RESULT IN FURTHER DECREASES IN ITS PRICE.

As of February 9, 2000, we had outstanding 2,785 shares of convertible preferred stock. Each share of preferred stock has a stated value of \$1,000 per share and is convertible into common stock at a conversion price equal to 85% of the lowest sale price of the common stock on the Nasdaq SmallCap Market over the five trading days preceding the date of conversion. The number of shares of common stock that may be acquired upon conversion is determined by dividing the stated value of the number of shares of preferred stock to be converted by the conversion price, subject to a maximum conversion price of \$1.22. Since there is no minimum conversion price, there is no limit on the number of shares of common stock that holders of preferred stock may acquire upon conversion. For additional information concerning our outstanding preferred stock, see "Preferred Stock Financings." Holders of our preferred stock may sell at market price the shares of common stock they have acquired upon conversion at a 15% discount to prevailing market prices concurrently with, or shortly after, conversion, realizing a profit equal to the difference between the market price and the discounted conversion price. The holders of the preferred stock also could engage in short sales of our common stock, after delivering a notice of conversion to us, which could contribute to a decline in the market price of the common stock and give them the opportunity to profit from that decrease by covering their short position with shares acquired upon conversion at a 15% discount to the prevailing market price. The conversion of the preferred stock and subsequent sale of a large number of shares of common stock acquired upon conversion during periods when the market price of the common stock declines, or the possibility of such conversions and sales, may exacerbate the decline or impede increases in the market price of the common stock.

OTHER ISSUANCES OF PREFERRED STOCK COULD ADVERSELY AFFECT EXISTING HOLDERS OF OUR COMMON STOCK.

Under our certificate of incorporation, our Board of Directors may, without further stockholder approval, issue up to an additional 987,730 shares of preferred stock with dividend, liquidation, conversion, voting or other rights that could adversely affect the voting power or other rights of the holders of common stock. We could use new classes of preferred stock as a method of discouraging, delaying or preventing a change in persons that control us. In particular, the terms of the preferred stock could effectively restrict our ability to consummate a merger, reorganization, sale of all or substantially all of our assets, liquidation or other extraordinary corporate transaction without the approval of the holders of the preferred stock. We could also create a class of preferred stock with rights and preferences similar to those of our outstanding convertible preferred stock, which could result in substantial dilution to holders of our common stock or adversely affect its market price.

CONVERSION OF OUR OUTSTANDING PREFERRED STOCK AND THE EXERCISE OF OUR OUTSTANDING WARRANTS AND STOCK OPTIONS AND SUBSEQUENT PUBLIC SALE OF OUR COMMON STOCK WILL RESULT IN SUBSTANTIAL DILUTION TO EXISTING STOCKHOLDERS.

As of February 9, 2000, we had outstanding 15,138,345 shares of common stock. In addition,

- an indeterminate number of shares may be acquired upon conversion of our outstanding preferred stock since there is no minimum conversion price. 2,282,787 shares or approximately 15% of the 15,138,345 shares outstanding as of February 9, 2000 may be acquired upon conversion at an assumed conversion price of \$1.22 per share, the maximum conversion price of our outstanding preferred stock. The number of shares that the holders of the preferred stock may acquire upon conversion will increase as the market price of the common stock declines below that assumed price. At an assumed conversion price of \$1.00 per share, holders of preferred stock could acquire 2,785,000 shares of common stock, or approximately 18% of the 15,138,345 shares outstanding as of February 9, 2000.
- 18,964,147 shares may be acquired upon exercise of outstanding warrants.
- 1,277,490 shares may be acquired upon exercise of outstanding stock options.

Existing stockholders will experience substantial dilution in their percentage ownership of our common stock if the preferred stock is converted and warrants and stock options are exercised. If all of the outstanding preferred stock is converted at an assumed conversion price of \$1.22 per share, and all outstanding warrants and stock options are exercised, the number of outstanding shares of common stock will increase by 22,524,424, representing approximately 149% of the outstanding common stock as of February 9, 2000.

SALES OF SUBSTANTIAL AMOUNTS OF OUR COMMON STOCK, OR THE POSSIBILITY OF SUCH SALES, MAY HAVE AN ADVERSE EFFECT ON THE MARKET PRICE OF OUR COMMON STOCK AND IMPAIR OUR ABILITY TO RAISE CAPITAL THROUGH AN OFFERING OF EQUITY SECURITIES IN THE FUTURE.

As of February 9, 2000, there were 15,138,345 shares of common stock outstanding. Except for 3,962,188 shares of common stock (representing approximately 26% of the outstanding common stock), substantially all of the outstanding shares of common stock are transferable without restriction under the Securities Act. In addition,

- an indeterminate number of shares may be acquired upon conversion of our outstanding preferred stock since there is no minimum conversion price. At an assumed conversion price of \$1.22 per share, holders of our outstanding preferred stock could acquire 2,282,787 shares of common stock. The number of shares that may be acquired upon conversion will increase if the market price of the common stock declines below the assumed conversion price.
- 2,274,066 shares may be acquired upon exercise of warrants owned by IBM at exercise prices ranging from \$.01 to \$.07.
- 3,994,345 shares may be acquired upon exercise of warrants issued in our initial public offering at an exercise price of \$2.86.
- 11,700,000 shares may be acquired upon exercise of warrants at an exercise price of \$1.02656.
- 995,736 shares may be acquired upon exercise of warrants having exercise prices ranging from \$2.00 to \$4.39 per share.
- 1,277,490 shares may be acquired upon exercise of stock options granted pursuant to our stock option plans at exercise prices ranging from \$.07 to \$8.62 per share.

Substantially all of such shares, when issued, may be immediately resold in the public market pursuant to effective registration statements under the Securities Act or pursuant to Rule 144.

We have granted registration rights to:

- ILTAG International Licensing Holding S.A.L., Bernd Herrmann, Urs Wettstein, IBM, EJ Financial Investments V,L.P. and certain other institutional investors owning or having the right to acquire 18,238,861 shares of common stock.
- holders of warrants to purchase 341,010 shares of common stock issued in connection with our European offering in November 1997 for those shares.
- holders of warrants to purchase 55,481 shares of common stock have piggyback registration rights for those shares.

If our securityholders sell publicly a substantial number of shares issued on the exercise of outstanding options and warrants or on the conversion of our preferred stock, then the market price of our common stock may decline. Public perception that those sales will occur may also adversely affect the price of our common stock. Furthermore, the existence of securities of this type may exert downward pressure on an issuer's stock price. A decline in the price of our common stock may also impair our ability to raise capital through the sale of equity securities.

IF WE CANNOT SATISFY NASDAQ'S MAINTENANCE REQUIREMENTS, IT MAY DELIST OUR COMMON STOCK FROM ITS SMALLCAP MARKET.

Our common stock is quoted on the Nasdaq SmallCap Market. To continue to be listed, we are required to maintain net tangible assets of \$2,000,000 and our common stock must maintain a minimum bid price of \$1.00 per share. We may not be able to continue to satisfy those requirements.

The conversion of our convertible preferred stock may have consequences that could cause Nasdaq to delist our common stock. The conversion of our preferred stock and resale of the common stock acquired upon conversion, or the possibility of the conversion of our preferred stock and resale of our common stock, may depress or inhibit increases in the market price of our common stock. As a result, the minimum bid price for our common stock may decline below \$1.00. Nasdaq also may delist our common stock if it deems it necessary to protect investors and the public interest. If Nasdaq determines that the returns on our convertible preferred stock are excessive compared with the returns received by the holders of our common stock, and those excess returns were egregious, Nasdaq could delist our common stock.

If we are unable to satisfy Nasdaq's maintenance requirements, our common stock may be delisted. If we are delisted and we are not then listed or do not qualify for a listing on a stock exchange, our common stock would be traded in the over-the-counter market and quoted in the NASD's "Electronic Bulletin Board" or the "pink sheets." Consequently, it may be more difficult for an investor to obtain price quotations for our common stock or to sell it.

IF OUR COMMON STOCK IS DELISTED, IT MAY BECOME SUBJECT TO THE SEC'S "PENNY STOCK" RULES AND MORE DIFFICULT TO SELL.

SEC rules require brokers to provide information to purchasers of securities traded at less than \$5.00 and not traded on a national securities exchange or quoted on the Nasdaq Stock Market. If our common stock becomes a "penny stock" that is not exempt from the SEC rules, these disclosure requirements may have the effect of reducing trading activity in our common stock and make it more difficult for investors to sell. The rules require a broker-dealer to deliver a standardized risk disclosure document prepared by the SEC that provides information about penny stocks and the nature and level of risks in the penny market. The broker must also give bid and offer quotations and broker and salesperson compensation information to the customer orally or in writing before or with his confirmation. The SEC rules also require a broker to make a special written determination that the penny stock is a suitable investment for the purchaser and receive the purchaser's written agreement to the transaction before a transaction in a penny stock.

FORWARD LOOKING STATEMENTS

Some of the information in this prospectus and the documents we incorporate by reference may contain forward-looking statements. Such statements can be identified by the use of forward-looking terminology such as "may," "will," "expect," "believe," "intend," "anticipate," "estimate," "continue" or similar words. These statements discuss future expectations, estimate the happening of future events or our financial condition or state other "forward-looking" information. When considering such forward-looking statements, you should keep in mind the risk factors and other cautionary statements in this prospectus and the documents that we incorporate by reference. The risk factors discussed in this prospectus and other factors noted throughout this prospectus, including certain risks and uncertainties, could cause our actual results to differ materially from those contained in any forward-looking statement.

SELLING SECURITYHOLDERS

The table below sets forth the name and address of each selling securityholder, the number of shares of common stock beneficially owned by each securityholder as of February 9, 2000, the number of shares that each selling securityholder may offer, and the number of shares of common stock beneficially owned by each selling securityholder upon completion of this offering, assuming all of the shares offered are sold. None of the selling securityholder has, or within the past three years has had, any position, office or other material relationship with us or any of our predecessors or affiliates.

The number of shares listed below as beneficially owned before the offering by each selling securityholder owning series F preferred stock has been computed, without giving effect to the terms of the certificate of designations for the series F preferred stock, which provides that the number of shares that the selling securityholders may acquire upon conversion may not exceed that number which would render a selling securityholder the beneficial owner of more than five percent of the then issued and outstanding shares of common stock, or result in the issuance of more than an aggregate of 2,996,218 shares upon conversion of the series F preferred stock, on the date that series of preferred stock was issued.

On February 9, 2000, we had 15,138,345 shares of common stock outstanding. For purposes of computing the number and percentage of shares beneficially owned by a selling securityholder on February 9, 2000, any shares which such person has the right to acquire within 60 days after such date are deemed to be outstanding, but those shares are not deemed to be outstanding for the purpose of computing the percentage ownership of any other selling securityholder.

NAME AND ADDRESS OF SELLING SECURITYHOLDER	SHARES OF COMMON STOCK OWNED BEFORE OFFERING(1)		SHARES OF COMMON STOCK OFFERED IN THE OFFERING(2)	SHARES OF COMMON STOCK BENEFICIALLY OWNED AFTER OFFERING

* Less than one percent (1%).

- (1) The information presented in the table does not give effect to the terms of the certificate of designations for the preferred stock and the warrants that limit the number of shares that a holder may acquire upon conversion or exercise of these securities to 5% of the then issued and outstanding shares of common stock.
- (2) Represents the number of shares that the selling securityholder may acquire upon exercise of warrants to purchase common stock and conversion of the series F preferred stock at an assumed conversion price of \$1.00 per share. The actual conversion price is 85% of the lowest sale price of a share of common stock for the five trading days preceding the date of conversion. The number of shares of common stock that the selling securityholder may acquire upon conversion is equal to the number of shares of preferred stock to be converted times \$1,000, the stated value of each share of preferred stock, divided by the conversion price. The maximum conversion price of the series F preferred stock is \$1.22. Since there is no minimum conversion price, if the market price of the common stock declines below the assumed conversion price, the number of shares that the selling securityholder may acquire upon conversion will increase. If following a sustained increase in the market price of the common stock sufficient to offset the 15% discount used in computing the conversion price the conversion price is higher than the assumed conversion price, the number of shares that the selling securityholder may acquire will decrease.
- (3) Neil Galloway has voting and dispositive power with respect to shares owned by Roseworth Group, Inc..
- (4) Shmuli Margulies, director of Endeavor Management, Inc., has sole voting and dispositive power with respect to shares owned by that fund.
- (5) Jacques Tizabi and Ali Moussavi of Astor Capital, investment advisor for Delta Capital Partners, share voting and dispositive power with respect to shares owned by Delta Capital Partners.

We are registering the shares for resale by the selling securityholders in accordance with registration rights granted to the selling securityholders. We will pay the registration and filing fees, printing expenses, listing fees, blue sky fees, if any, and fees and disbursements of our counsel in connection with this offering, but the selling securityholders will pay any underwriting discounts, selling commissions and similar expenses relating to the sale of the shares, as well as the fees and expenses of their counsel. In addition, we have agreed to indemnify the selling securityholders, underwriters who may be selected by the selling securityholders and certain affiliated parties, against certain liabilities, including liabilities under the Securities Act, in connection with the offering. The selling securityholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the shares against certain liabilities, including liabilities under the Securities Act. The selling securityholders have agreed to indemnify us and our directors and officers, as well as any person controlling the company, against certain liabilities, including liabilities under the Securities Act. Insofar as indemnification for liabilities under the Securities Act may be permitted to our directors or officers, or persons controlling the company, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

PLAN OF DISTRIBUTION

The selling securityholders may sell shares from time to time in public transactions, on or off The Nasdaq SmallCap Market, or private transactions, at prevailing market prices or at privately negotiated prices. They may sell their shares in the following types of transactions:

- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- a block trade in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker or dealer as principal and resale by such broker or dealer for its account pursuant to this prospectus; and
- face-to-face transactions between sellers and purchasers without a broker-dealer.

The selling securityholders also may sell shares that qualify under Section 4(1) of the Securities Act or Rule 144. As used in this prospectus, selling securityholders include donees, pledgees, distributees, transferees and other successors-in-interest of the selling securityholders named in this prospectus.

In effecting sales, brokers or dealers engaged by the selling securityholders may arrange for other brokers or dealers to participate in the resales. The selling securityholders may enter into hedging transactions with broker-dealers, and in connection with those transactions, broker-dealers may engage in short sales of the shares. The selling securityholders also may sell shares short and deliver the shares to close out such short positions, except that the selling securityholders have agreed that they will not enter into any put option or short position with respect to the common stock prior to the date of the delivery of a conversion notice. The selling securityholders also may enter into option or other transactions with broker-dealers which require the delivery to the broker-dealer of the shares, which the broker-dealer may resell under this prospectus. The selling securityholders also may pledge the shares to a broker or dealer and upon a default, the broker or dealer may effect sales of the pledged shares under this prospectus.

Brokers, dealers or agents may receive compensation in the form of commissions, discounts or concessions from selling securityholders in amounts to be negotiated in connection with the sale. The selling securityholders and any participating brokers or dealers may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales and any such commission, discount or concession may be deemed to be underwriting compensation.

Information as to whether underwriters who may be selected by the selling securityholders, or any other broker-dealer, is acting as principal or agent for the selling securityholders, the compensation to be received by them, and the compensation to be received by other broker-dealers, in the event such compensation is in excess of usual and customary commissions, will, to the extent required, be set forth in a supplement to this prospectus. Any dealer or broker participating in any distribution of the shares may be required to deliver a copy of this prospectus, including a prospectus supplement, if any, to any person who purchases any of the shares from or through such dealer or broker.

We have advised the selling securityholders that during such time as they may be engaged in a distribution of the shares they are required to comply with Regulation M promulgated under the Securities Exchange Act. With certain exceptions, Regulation M precludes any selling securityholder, any affiliated purchasers and any broker-dealer or other person who participates in such distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security.

RECENT DEVELOPMENTS

CHANGE IN CONTROL

On December 14, 1999 we issued and sold to ILTAG International Licensing Holding S.A.L., Bernd Herrmann and Urs Wettstein an aggregate of 2,922,396 shares of common stock and three-year warrants to purchase an additional 11,700,000 shares of common stock under a Stock and Warrant Purchase Agreement dated as of October 1, 1999. The purchase price for the shares and warrants was \$4 million. The exercise price of the warrants is \$1.02656 per share.

ILTAG is a Lebanese company that invests in health care and information technology companies. ILTAG's corporate parent, The Dogmoch Group of Companies, provides consulting and support services to over 20 German companies doing business in countries throughout the Middle East. Bernd Herrmann is a German venture capitalist who was an asset manager at Deutsche Bank A.G. and Commerzbank A.G. Urs Wettstein is a Swiss tax and accounting consultant.

We experienced a change in control as a result of the sale. The actual and beneficial ownership of common stock of ILTAG/Dogmoch, Messrs. Herrmann and Wettstein as of February 9, 2000, when we had 15,138,345 shares of common stock outstanding, were as follows:

	ACTUAL OWNERSHIP OF			BENEFICIAL OWNERSHIP	
	COMMON STOCK		WARRANTS	OF COMMON STOCK	
	NUMBER OF SHARES	PERCENT		NUMBER OF SHARES	PERCENT
ILTAG/Dogmoch.....	1,461,198	9.65%	5,850,000	7,311,198	34.84%
Bernd Herrmann.....	730,599	4.83%	2,925,000	3,655,599	20.24%
Urs Wettstein.....	730,599	4.83%	2,925,000	3,655,599	20.24%

As a condition of the sale, James C. McGroddy, Paul A.H. Pankow, Gerald D. Knudson and Patrick G. Hays resigned from the Board immediately prior to the closing of the sale, and were replaced by Messrs. Herrmann, Wettstein and Falah Al-Kadi, the Vice Chairman of Dogmoch. Dr. John N. Kapoor continues to serve as a director and Dr. Ramesh C. Trivedi was appointed to fill the remaining vacancy on the Board.

DISTRIBUTION AGREEMENT

We have entered into a distribution agreement with Spark 1st Vision GmbH & Co. KG, a German company, that gives the distributor the exclusive right to distribute our products in Europe, the Middle East and Africa through 2003. The distributor is obligated to purchase a minimum of 24 ROBODOC systems during 2000 and 32 ROBODOC systems during 2001. The distributor is required to pay us advance payments of \$200,000 per month for the first six months of 2000, \$300,000 per month for the remainder of 2000, and \$400,000 per month for 2001, to be applied as a credit against the purchase price of products purchased. However, the distributor will have no minimum purchase or advance payment obligation after 2001, even though it will retain exclusive rights to distribute our products in Europe, the Middle East and Africa through 2003. The distributor's only obligation to us after 2001 is to pay for products that it purchases. The distributor's liability to us under the distribution agreement is limited to \$1 million, exclusive of the minimum purchase obligation. We will continue to receive service contract revenues and bear the cost of

maintenance, training and customer support. Our European sales and marketing personnel, as well as our European field support staff, have joined the distributor.

The distribution agreement will eliminate marketing, sales and administrative expenses associated with our European activities and provide us with a more predictable source of revenues based upon the minimum purchase commitments of the distributor.

PREFERRED STOCK FINANCINGS

Since September 1998, we have received aggregate net proceeds of approximately \$11.4 million from the sale of six series of our convertible preferred stock. Information concerning these preferred stock financings is set forth below.

SERIES	DATE OF SALE	SHARES OF PREFERRED STOCK SOLD	WARRANTS ISSUED	GROSS PROCEEDS
A	September 10, 1998	3,520	44,000	\$3,520,000
B	March 26, 1999	1,000	12,500	1,000,000
C	June 10, 1999	750	9,375	750,000
D	June 30, 1999	2,000	25,000	2,000,000
E	July 30, 1999	3,000	37,500	3,000,000
F	February 8, 2000	2,000	125,000	2,000,000

Each series of preferred stock has a stated value of \$1,000 per share and is convertible into common stock at a conversion price equal to 85% of the lowest sale price of the common stock on the Nasdaq SmallCap Market over the five trading days preceding the date of conversion subject to a maximum conversion price. The number of shares of common stock that may be acquired upon conversion is determined by dividing the stated value of the number of shares of preferred stock to be converted by the conversion price. As of February 9, 2000, 785 shares of series D preferred stock and 2,000 shares of series F preferred stock were outstanding. No other shares of preferred stock are outstanding. On February 7, 2000 we redeemed the 1,085 shares of series E preferred stock outstanding for a total redemption price of \$1,085,000, or \$1,000 per share, the stated value of a share of series E preferred stock.

The maximum conversion price for the series D and series F preferred stock is \$1.22 per share.

There is no minimum conversion price for any series of preferred stock. Consequently, there is no limit on the number of shares of common stock that may be issued upon conversion, except that the terms of each series, set forth in the certificate of designations for that series, limit:

- - The number of shares of common stock that a holder of preferred stock may acquire upon conversion, together with shares beneficially owned by the holder and its affiliates, to five percent (5%) of the total outstanding shares of common stock.
- - The number of shares of common stock that the holders of a series of preferred stock may acquire upon conversion to that number of shares representing 19.9% of the shares outstanding on the date upon which that series was issued, until stockholders approve the issuance upon conversion of shares in excess of that number of shares. This limitation is required by the rules of The Nasdaq Stock Market, Inc.

The number of shares of common stock issued upon conversion of each series of preferred stock as of February 9, 2000 was as follows: series A -- 2,867,135; series B -- 459,831; series C -- 563,497; series D -- 961,759; series E -- 1,490,101; series F: none. The average actual conversion price for shares of each series of preferred stock converted into shares of common stock as of February 9,

2000 was as follows: series A -- \$2.23; Series B -- \$2.17; Series C -- \$1.33; Series D -- \$1.26; Series E -- \$1.22.

The number of shares of common stock that may be acquired upon conversion of the outstanding shares of preferred stock as of February 9, 2000, based upon an assumed conversion prices of \$1.22, the maximum conversion price, is as follows: Series D -- 643,443; Series F -- 1,639,345.

The market price of the common stock on the date of issue of each series of preferred stock was as follows: series A -- \$3.563; series B -- \$1.969; series C -- \$1.813; series D -- \$2.969; series E -- \$3.50; series F -- 2,375.

The conversion price of each series of preferred stock on the date of issue would have been as follows: series A -- \$2.763; series B -- \$1.488; series C -- \$1.408; series D -- \$2.231; series E -- \$2.869; series F -- \$1.22. The number of shares of common stock into which the preferred stock would have been convertible on the date of issue would have been as follows: series A -- 1,274,000; series B -- 672,000; series C -- 533,000; series D -- 896,000; series E -- 1,046,000; series F -- 1,639,345.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Article VI of the Registrant's by-laws provides that a director or officer shall be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement (provided such settlement is approved in advance by the Registrant) in connection with certain actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation -- a "derivative action") if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with the defense or settlement of such an action, except that no person who has been adjudged to be liable to the Registrant shall be entitled to indemnification unless a court determines that despite such adjudication of liability but in view of all of the circumstances of the case, the person seeking indemnification is fairly and reasonably entitled to be indemnified for such expenses as the court deems proper.

Article 6.5 of the Registrant's by-laws further provides that directors and officers are entitled to be paid by the Registrant the expenses incurred in defending the proceedings specified above in advance of their final disposition. provided that such payment will only be made upon delivery to the Registrant by the indemnified party of an undertaking to repay all amounts so advanced if it is ultimately determined that the person receiving such payments is not entitled to be indemnified.

Article 6.4 of the Registrant's by-laws provides that a person indemnified under Article VI of the by-laws may contest any determination that a director, officer, employee or agent has not met the applicable standard of conduct set forth in the by-laws by petitioning a court of competent jurisdiction.

Article 6.6 of the Registrant's by-laws provides that the right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in the Article will not be exclusive of any other right which any person may have or acquire under the by-laws, or any statute or agreement. or otherwise.

Finally, Article 6.7 of the Registrant's by-laws provides that the Registrant may maintain insurance, at its expense, to reimburse itself and directors and officers of the Registrant and of its direct and indirect subsidiaries against any expense, liability or loss, whether or not the Registrant would have the power to indemnify such persons against such expense, liability or loss under the provisions of Article VI of the by-laws. The Registrant maintains and has in effect such insurance.

Article 11 of the Registrant's certificate of incorporation eliminates the personal liability of the Registrant's directors to the Registrant or its stockholders for monetary damages for breach of their fiduciary duties as a director to the fullest extent provided by Delaware law. Section 102(b)(7) of the DGCL provides for the elimination of such personal liability, except for liability (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived any improper personal benefit.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Securities Act") may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

 - (i) Include any prospectus required by section 10(a) (3) of the Securities Act.

In the event that a claim for indemnification against such liabilities (other than the payment by the small business issuer of the expenses incurred or paid by a director, officer, or controlling person of the small business issuer in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to the Investor that, except as set forth on the Schedule of Exceptions attached hereto:

Section 4.1. Organization of the Company. The Company is a corporation duly incorporated and existing in good standing under the laws of the State of Delaware and has all requisite corporate authority to own its properties and to carry on its business as now being conducted as described in the Company's SEC Documents. The Company does not have any subsidiaries and does not own more than fifty percent (50%) of or control any other business entity, except as set forth in the SEC Documents. The Company is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, other than those in which the failure so to qualify could not reasonably be expected to have a Material Adverse Effect.

Section 4.2. Authority. (i) The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement, the Registration Rights Agreement and the Warrant and to issue the Preferred Stock, the Conversion Shares, the Warrant and the Warrant Shares, (ii) the execution, issuance and delivery of this Agreement, the Registration Rights Agreement and the Warrant by the Company and the consummation by it of the transactions contemplated hereby have been duly authorized by all necessary corporate action and no further consent or authorization of the Company or its Board of Directors or stockholders is required, and (iii) this Agreement, the Registration Rights Agreement and the Warrant have been duly executed and delivered by the Company and constitute valid and binding obligations of the Company enforceable against the Company in accordance with their terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application. The Company has duly and validly authorized and reserved for issuance shares of Common Stock sufficient in number for the conversion of 2,000 shares of Preferred Stock and for the exercise of the Warrants. The Company understands and acknowledges the potentially dilutive effect to the Common Stock of the issuance of the Conversion Shares and the Warrant Shares. The

Company further acknowledges that its obligation to issue Conversion Shares upon conversion of the Preferred Stock and Warrant Shares upon exercise of the Warrants in accordance with this Agreement and the Certificate of Designations is absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other stockholders of the Company and notwithstanding the commencement of any case under 11 U.S.C. Section 101 et seq. (the "Bankruptcy Code"). In the event the Company is a debtor under the Bankruptcy Code, the Company hereby waives to the fullest extent permitted any rights to relief it may have under 11 U.S.C. Section 362 in respect of the conversion of the Preferred Stock and the exercise of the Warrants. The Company agrees, without cost or expense to the Investor, to take or consent to any and all action necessary to effectuate relief under 11 U.S.C. Section 362.

Section 4.3. Capitalization. The authorized capital stock of the Company consists of 50,000,000 shares of Common Stock, par value \$0.01, of which 14,291,915 were issued and outstanding as of December 31, 1999, and 1,000,000 shares of Preferred Stock, par value \$0.01, of which 1,725 shares of Series D Convertible Preferred Stock and 1,200 shares of Series E Convertible Preferred Stock were issued and outstanding as of December 31, 1999, and 2,000 shares of Preferred Stock have been properly designated as Series F Convertible Preferred Stock. Except as set forth in the SEC Documents, there are no outstanding Capital Shares Equivalents. All of the outstanding shares of Common Stock of the Company have been duly and validly authorized and issued and are fully paid and non-assessable.

Section 4.4. Common Stock. The Company has registered its Common Stock pursuant to Section 12(b) or (g) of the Exchange Act and is in full compliance with all reporting requirements of the Exchange Act, and the Company has maintained all requirements for the continued listing or quotation of its Common Stock, and such Common Stock is currently listed or quoted on the Principal Market. As of the date hereof, the Principal Market is The Nasdaq SmallCap Market and the Company has not received any notice regarding, and to its knowledge there is no threat, of the termination or discontinuance of the eligibility of the Common Stock for such listing.

Section 4.5. SEC Documents. The Company has delivered or made available to the Investor true and complete copies of the SEC Documents. The Company has not provided to the Investor any information that, according to applicable law, rule or regulation, should have been disclosed publicly prior to the date hereof by the Company, but which has not been so disclosed. As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Exchange Act, and rules and regulations of the SEC promulgated thereunder and the SEC Documents did not contain any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Documents complied in all material respects with applicable accounting requirements and the published rules and regulations of the SEC or other applicable rules and regulations with respect thereto. 4.5 to the Schedule of Exceptions) and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of operations and cash flows for the periods then ended. Neither the Company nor any of its subsidiaries has any indebtedness, obligations or liabilities of any kind (whether accrued, absolute, contingent or otherwise, and whether due or to become due) that would have been required to be reflected in, reserved against or otherwise described in the financial statements or in the notes thereto in accordance with GAAP, which was not fully reflected in, reserved against or otherwise described in the financial statements or the notes thereto or was not incurred in the ordinary course of business consistent with the Company's past practices since the late date of the financial statements.

Section 4.6. Exemption from Registration; Valid Issuances. The sale of the Preferred Stock, the Conversion Shares, the Warrant and the Warrant Shares will be properly issued pursuant to Rule 4(2), Regulation D and/or any applicable state securities law. When issued, the Preferred Stock, the Conversion Shares and the Warrant Shares will be duly and validly issued, fully paid, and non-assessable. Neither the sales of the Preferred Stock, the Conversion Shares, the Warrant or the Warrant Shares pursuant to, nor the Company's performance of its obligations under, this Agreement, the Registration Rights Agreement or the Warrant will (i) result in the creation or imposition by the Company of any liens, charges, claims or other encumbrances upon the Preferred Stock, the Conversion Shares, the Warrant Shares or any of the assets of the Company, or (ii) entitle the holders of Outstanding Capital Shares to preemptive or other rights to subscribe to or acquire the Capital Shares or other securities of the Company. Section 4.8. Corporate Documents. The Company has furnished or made available to the Investor true and correct copies of the Company's Restated Certificate of Incorporation, as amended and in effect on the date hereof, and the Company's By-Laws, as amended and in effect on the date hereof.

Section 4.9. No Conflicts. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby, including without limitation the issuance of the Preferred Stock, the Conversion Shares, the Warrant and the Warrant Shares, do not and will not (i) result in a violation of the Company's Restated Certificate of Incorporation or By-Laws, each as amended and in effect as of the date hereof, or (ii) conflict with, or constitute a material default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or

cancellation of, any material agreement, indenture, instrument or any "lock-up" or similar provision of any underwriting or similar agreement to which the Company is a party, or (iii) result in a violation of any federal, state or local law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) applicable to the Company or by which any property or asset of the Company is bound or affected (except for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect) nor is the Company otherwise in violation of, conflict with or in default under any of the foregoing. The business of the Company is not being conducted in violation of any law, ordinance or regulation of any governmental entity, except for possible violations that either singly or in the aggregate could not reasonably be expected to have a Material Adverse Effect. The Company is not required under federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or issue and sell the Preferred Stock or the Warrant in accordance with the terms hereof (other than any SEC, NASD, The Nasdaq Stock Market Inc., or state securities filings that may be required to be made by the Company subsequent to any Closing, any registration statement that may be filed pursuant hereto, and any shareholder approval required by the rules applicable to companies whose common stock trades on The Nasdaq SmallCap Market); provided that, for purposes of the representation made in this sentence, the Company is assuming and relying upon the accuracy of the relevant representations and agreements of the Investor herein.

Section 4.11. No Undisclosed Liabilities. The Company has no liabilities or obligations which are material, individually or in the aggregate, and are not disclosed in the SEC Documents or otherwise publicly announced, other than those incurred in the ordinary course of the Company's business since January 1, 1999, and which, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

No form of general solicitation or advertising has been used or authorized by the Company or any of its officers, directors or Affiliates in connection with the offer or sale of the Preferred Stock (and the Conversion Shares) as contemplated by this Agreement or any other agreement to which the Company is a party.

No employees of the Company are represented by any labor organization and none of such employees has made a pending demand for recognition, and there are no representation proceedings or petitions seeking a representation proceeding presently pending or, to the Company's knowledge, threatened to be brought or filed, with the National Labor Relations Board or other labor relations tribunal. There is no organizing activity involving the Company pending or to the Company's knowledge, threatened by any labor organization or group of employees of the Company. There are no (i) strikes, work stoppages, slowdowns, lockouts or arbitrations or (ii) material grievances or other labor disputes pending or, to the knowledge of the Company, threatened against or involving the Company. There are no unfair labor practice charges, grievances or complaints pending or, to the knowledge of the Company, threatened by or on behalf of any employee or group of employees of the Company.

Section 4.20. ERISA Matters. The Company and its ERISA Affiliates are in compliance in all material respects with all provisions of ERISA applicable to it. No Reportable Event has occurred, been waived or exists as to which the Company or any ERISA Affiliate was required to file a report with the Pension Benefits Guaranty Corporation, and the present value of all liabilities under all Plans (based on those assumptions used to fund such Plans) did not, as of the most recent annual valuation date applicable thereto, exceed the value of the assets of all such Plans in the aggregate.

None of the Company or ERISA Affiliates has incurred any Withdrawal Liability that could result in a Material Adverse Effect. None of the Company or ERISA Affiliates has received any notification that any Multiemployer Plan is in reorganization or has been terminated within the meaning of Title IV of ERISA, and no Multiemployer Plan is reasonably expected to be in reorganization or termination where such reorganization or termination has resulted or could reasonably be expected to result in increases to the contributions required to be made to such Plan or otherwise.

For purposes of this Section 4.20:

"ERISA" means the Employee Retirement Income Security Act of 1974, or any successor statute, together with the regulations thereunder, as the same may be amended from time to time.

"ERISA Affiliate" means any trade or business (whether or not incorporated) that was, is or hereafter may become, a member of a group of which the Company is a member and which is treated as a single employer under Section 414 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code").

"Multiemployer Plan" means a multiemployer plan as defined in Section 4001(a)(3) of ERISA to which the Company or any ERISA Affiliate (other than one considered an ERISA Affiliate only pursuant to subsection (m) or (o) of Section 414 of the Internal Revenue Code) is making or accruing an obligation to make contributions, or has within any of the preceding five plan years made or accrued an obligation to make contributions.

"PBGC" means the Pension Benefit Guaranty Corporation referred to and defined in ERISA or any successor thereto.

"Plan" means any pension plan (other than a Multiemployer Plan) subject to the provision of Title IV of ERISA or Section 412 of the Internal Revenue Code that is maintained for employees of the Company or any ERISA Affiliate.

"Reportable Event" means any reportable event as defined in Section 4043(b) of ERISA or the regulations issued thereunder with respect to a Plan (other than a Plan maintained by an ERISA Affiliate that is considered an ERISA Affiliate only pursuant to subsection (m) or (o) of Section 414 of the Internal Revenue Code).

"Withdrawal Liability" means liability to a Multiemployer Plan as a result of a complete or partial withdrawal from such Multiemployer Plan, as such terms are defined in Part I of Subtitle E of Title IV of ERISA.

Section 4.21. Tax Matters.

1. The Company has filed all Tax Returns which it is required to file under applicable Laws; all such Tax Returns are true and accurate and have been prepared in compliance with all applicable Laws; the Company has paid all Taxes due and owing by it (whether or not such Taxes are required to be shown on a Tax Return) and have withheld and paid over to the appropriate taxing authorities all Taxes which it is required to withhold from amounts paid or owing to any employee, stockholder, creditor or other third parties; and since December 31, 1998, the charges, accruals and reserves for Taxes with respect to the Company (including any provisions for deferred income taxes) reflected on the books of the Company are adequate to cover any Tax liabilities of the Company if its current tax year were treated as ending on the date hereof.

2. No claim has been made by a taxing authority in a jurisdiction where the Company does not file tax returns that such corporation is or may be subject to taxation by that jurisdiction. There are no foreign, federal, state or local tax audits or administrative or judicial proceedings pending or being conducted with respect to the Company; no information related to Tax matters has been requested by any foreign, federal, state or local taxing authority; and, except as disclosed above, no written notice indicating an intent to open an audit or other review has been received by the Company from any foreign, federal, state or local taxing authority. There are no material unresolved questions or claims concerning the Company's Tax liability. The Company (A) has not executed or entered into a closing agreement pursuant to Section 7121 of the Internal Revenue Code or any predecessor provision thereof or any similar provision of state, local or foreign law; or (B) has not agreed to or is required to make any adjustments pursuant to Section 481 (a) of the Internal Revenue Code or any similar provision of state, local or foreign law by reason of a change in accounting method initiated by the Company or any of its subsidiaries or has any knowledge that the IRS has proposed any such adjustment or change in accounting method, or has any application pending with any taxing authority requesting permission for any changes in accounting methods that relate to the business or operations of the Company. The Company has not been a United States real property holding corporation within the meaning of Section 897(c)(2) of the Internal Revenue Code during the applicable period specified in Section 897(c)(1)(A)(ii) of the Internal Revenue Code.

3. The Company has not made an election under Section 341(f) of the Internal Revenue Code. The Company is not liable for the Taxes of another person that is not a subsidiary of the Company under (A) Treas. Reg. Section 1.1502-6 (or comparable provisions of state, local or foreign law), (B) as a transferee or successor, (C) by contract or indemnity or (D) otherwise. The Company is not a party to any tax sharing agreement. The Company has not made any payments, is obligated to make payments or is a party to an agreement that could obligate it to make any payments that would not be deductible under Section 280G of the Internal Revenue Code.

For purposes of this Section 4.21:

"IRS" means the United States Internal Revenue Service.

"Tax" or "Taxes" means federal, state, county, local, foreign, or other income, gross receipts, ad valorem, franchise, profits, sales or use, transfer, registration, excise, utility, environmental, communications, real or personal property, capital stock, license, payroll, wage or other withholding, employment, social security, severance, stamp, occupation, alternative or add-on minimum, estimated and other taxes of any kind whatsoever (including, without limitation, deficiencies, penalties, additions to tax, and interest attributable thereto) whether disputed or not.

"Tax Return" means any return, information report or filing with respect to Taxes, including any schedules attached thereto and including any amendment thereof.

Section 4.22. Property. Neither the Company nor either of its subsidiaries owns any real property. Each of the Company and its subsidiaries has good and marketable title to all personal property owned by it, free and clear of all liens, encumbrances and defects except such as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by the Company; and any real property and buildings held under lease by the Company are held by it under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company.

Section 4.23. Intellectual Property. Each of the Company and its subsidiaries owns or possesses adequate and enforceable rights to use all patents, patent applications, trademarks, trademark applications, trade names, service marks, copyrights, copyright applications, licenses, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures) and other similar rights and proprietary knowledge (collectively, "Intangibles") necessary for the conduct of its business as now being conducted. To the best of the Company's knowledge, neither the Company nor any of its subsidiaries is infringing upon or in conflict with any right of any other person with respect to any Intangibles. No claims have been asserted by any person to the ownership or use of any Intangibles and the Company has no knowledge of any basis for such claim.

Section 4.24. Internal Controls and Procedures. The Company maintains accurate books and records and internal accounting controls which provide reasonable assurance that (i) all transactions to which the Company is a party or by which its properties are bound are executed with management's authorization; (ii) the reported accountability of the Company's assets is compared with existing assets at regular intervals; (iii) access to the Company's assets is permitted only in accordance with management's authorization; and (iv) all transactions to which the Company is a party or by which its properties are bound are recorded as necessary to permit preparation of the financial statements of the Company in accordance with U.S. generally accepted accounting principles.

Section 4.25. Payments and Contributions. Neither the Company nor any of its directors, officers or, to its knowledge, other employees has (i) used any Company funds for any unlawful contribution, endorsement, gift, entertainment or other unlawful expense relating to political activity; (ii) made

any direct or indirect unlawful payment of Company funds to any foreign or domestic government official or employee; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended; or (iv) made any bribe, rebate, payoff, influence payment, kickback or other similar payment to any person with respect to Company matters.

Section 4.26. Year 2000 Compliance. The Company has reviewed the Year 2000 Risk and is taking such action as may be necessary to ensure that the Year 2000 Risk will not adversely affect its business operations and/or financial condition. As used herein, "Year 2000 Risk" means the risk that computer applications used by the Company and its Subsidiaries and/or its suppliers, vendors, and customers may be unable to recognize and perform without error date-sensitive functions involving certain dates prior to and any date after December 31, 1999.

Section 4.27 Related Party Transactions. Except as disclosed in the SEC Documents, neither the Company nor any of its officers, directors or "Affiliates" (as such term is defined in Rule 12b-2 under the Exchange Act) has borrowed any moneys from or has outstanding any indebtedness or other similar obligations to the Company. Except as disclosed in the SEC Documents, neither the Company nor any of its officers, directors or Affiliates (i) owns any direct or indirect interest constituting more than a one percent equity (or similar profit participation) interest in, or controls or is a director, officer, partner, member or employee of, or consultant to or lender to or borrower from, or has the right to participate in the profits of, any person or entity which is (x) a competitor, supplier, customer, landlord, tenant, creditor or debtor of the Company or any of its subsidiaries, (y) engaged in a business related to the business of the Company or any of its subsidiaries, or (z) a participant in any transaction to which the Company is a party (other than in the ordinary course of the Company's business) or (ii) is a party to any contract, agreement, commitment or other arrangement with the Company.

Section 4.28. No Misrepresentation. No representation or warranty of the Company contained in this Agreement, any schedule, annex or exhibit hereto or any agreement, instrument or certificate furnished by the Company to the Investors pursuant to this Agreement, contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, not misleading.

ARTICLE V

COVENANTS OF THE INVESTOR

Section 5.1. Compliance with Law. The Investor's trading activities with respect to shares of the Company's Common Stock will be in compliance with all applicable state and federal securities laws, rules and regulations and rules and regulations of the Principal Market on which the Company's Common Stock is listed.

Section 5.2. Short Sales. The Investor and its affiliates shall not engage in short sales of the Company's Common Stock; provided, however, that the Investor may enter into any short sale or other hedging or similar arrangement it deems appropriate with respect to Conversion Shares commencing on the day it delivers a Conversion Notice with respect to such Conversion Shares, so long as such arrangements do not involve more than the number of such Conversion Shares (determined as of the date of such Conversion Notice).

ARTICLE VI

COVENANTS OF THE COMPANY

Section 6.1. Registration Rights. The Company shall cause the Registration Rights Agreement to remain in full force and effect and the Company shall comply in all material respects with the terms thereof.

Section 6.2. Reservation of Common Stock. As of the date hereof, the Company has reserved and the Company shall continue to reserve and keep available at all times, free of preemptive rights, shares of Common Stock for the purpose of enabling the Company to satisfy any obligation to issue the Conversion Shares and the Warrant Shares; such amount of shares of Common Stock to be reserved shall be calculated based upon the Market Price therefor under the terms of this Agreement and the Warrant, respectively, assuming for purposes of this Section 6.2 a Market Price of \$1.00 and shall be increased by the Board of Directors if the Market Price declines below \$1.00. The number of shares so reserved from time to time, as theretofore increased or reduced as hereinafter provided, may be reduced by the number of shares actually delivered hereunder and the number of shares so reserved shall be increased or decreased to reflect potential increases or decreases in the Common Stock that the Company may thereafter be so obligated to issue by reason of adjustments to the Warrant.

Section 6.3. Listing of Common Stock. The Company hereby agrees to maintain the listing of the Common Stock on a Principal Market, and as soon as practicable (but in any event prior to the date upon which the Preferred Stock may be converted into Common Stock) to list the Conversion Shares and the Warrant Shares. The Company further agrees, if the Company applies to have the Common Stock traded on any other Principal Market, it will include in such application the Conversion Shares and the Warrant Shares, and will take such other action as is necessary or desirable in the opinion of the investor to cause the Common Stock to be listed on such other Principal Market as promptly as possible. The Company will take all action to continue the listing and trading of its Common Stock on the Principal Market (including, without limitation, maintaining sufficient net tangible assets) and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Principal Market and shall provide Investor with copies of any correspondence to or from such Principal Market which questions or threatens delisting of the Common Stock, within one business day of the Company's receipt thereof.

Section 6.4. Exchange Act Registration. The Company will cause its Common Stock to continue to be registered under Section 12(b) or (g) of the Exchange Act, will use its best efforts to comply in all respects with its reporting and filing obligations under the Exchange Act, and will not take any action or file any document (whether or not permitted by the Exchange Act or the rules thereunder) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under said Act.

Section 6.5. Legends. Upon conversion, the certificates evidencing the Common Stock to be sold by the Investor pursuant to Section 9.1 shall be free of legends, except as set forth in Article IX.

Section 6.6. Corporate Existence. The Company will take all steps necessary to preserve and continue the corporate existence of the Company.

Section 6.7. Notice of Certain Events Affecting Registration. The Company will immediately notify the Investor upon the occurrence of any of the following events in respect of a registration statement or related prospectus in respect of an offering of Registrable Securities; (i) receipt of any request for additional information by the SEC or any other federal or state governmental authority during the period of effectiveness of the Registration Statement to be supplied by amendments or supplements to the registration statement or related prospectus; (ii) the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the happening of any event that makes any statement made in the Registration Statement or related prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the related prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (v) the Company's reasonable determination that a post-effective amendment to the Registration Statement would be appropriate; and the Company will promptly make available to the Investor any such supplement or amendment to the related prospectus.

(a) Consolidation; Merger. The Company shall not, at any time after the date hereof, effect any merger or consolidation of the Company with or into, or a transfer of all or substantially all of the assets of the Company to, another entity (a "Consolidation Event") unless the resulting successor or acquiring entity (if not the Company) assumes by written instrument or by operation of law the obligation to deliver to the Investor such shares of stock and/or securities as the Investor is entitled to receive pursuant to this Agreement.

Section 6.8. Issuance of Preferred Shares and Warrant Shares. The sale of the Preferred Stock and the issuance of the Warrant Shares pursuant to exercise of the Warrant and the Conversion Shares upon conversion of the Preferred Stock shall be made in accordance with the provisions and requirements of Section 4(2) of Regulation D and any applicable state securities law. The Company shall make all necessary SEC and "blue sky" filings required to be made by the Company in connection with the sale of the Securities to the Investor as required by all applicable Laws, and shall provide a copy thereof to the Investor promptly after such filing.

Section 6.9 Limitation on Future Financing. The Company agrees that it will not, without the consent of 85% in interest of the Investors, enter into any financing at a discount to Market Price until six months after the effective date of the Registration Statement; provided, however, anything to the contrary appearing herein notwithstanding, neither this Section nor any other provision hereof shall be construed to restrict or prohibit the Company's right to restructure, amend or modify any facility existing on the date hereof that does not materially impair the rights of the holders of the Preferred Stock.

ARTICLE VII

SURVIVAL; INDEMNIFICATION; RELEASE

Section 7.1. Survival. The representations, warranties and covenants made by each of the Company and Investor in this Agreement, the annexes, schedules and exhibits hereto and in each instrument, agreement and certificate entered into and delivered by them pursuant to this Agreement, shall survive the Closing and the consummation of the transactions contemplated hereby. In the event of a breach or violation of any of such representations, warranties or covenants, the party to whom such representations, warranties or covenants have been made shall have all rights and remedies for such breach or violation available to it under the provisions of this Agreement or otherwise, whether at law or in equity, irrespective of any investigation made by or on behalf of such party on or prior to the Closing Date.

Section 7.2. Indemnity. The Company hereby agrees to indemnify and hold harmless the Investor, its Affiliates and their respective officers, directors, partners and members (collectively, the "Investor Indemnitees"), from and against any and all losses, claims, damages, judgments, penalties, liabilities and deficiencies (collectively, "Losses"), and agrees to reimburse the Investor Indemnitees for all out-of-pocket expenses (including the fees and expenses of legal counsel and the cost of any investigation and preparation), in each case promptly as incurred by the Investor Indemnitees and to the extent arising out of or in connection with:

1. any misrepresentation, omission of fact or breach of any of the Company's representations or warranties contained in this Agreement, the annexes, schedules or exhibits hereto or any instrument, agreement or certificate entered into or delivered by the Company pursuant to this Agreement;

2. any failure by the Company to perform in any material respect any of its covenants, agreements, undertakings or obligations set forth in this Agreement, the annexes, schedules or exhibits hereto or any instrument, agreement or certificate entered into or delivered by the Company pursuant to this Agreement; or

3. any litigation directly against the Investor by non-affiliates of the Company relating to this Agreement and the transactions contemplated hereby.

Investor hereby agrees to indemnify and hold harmless the Company, its Affiliates and their respective officers, directors, partners and members (collectively, the "Company Indemnitees"), from and against any and all Losses, and agrees to reimburse the Company Indemnitees for all out-of-pocket expenses (including the fees and expenses of legal counsel and the cost of any investigation and preparation), in each case promptly as incurred by the Company Indemnitees and to the extent arising out of or in connection with:

1. any misrepresentation, omission of fact, or breach of any of Investor's representations or warranties contained in this Agreement, the annexes, schedules or exhibits hereto or any instrument, agreement or certificate entered into or delivered by Investor pursuant to this Agreement; or

2. any failure by Investor to perform in any material respect any of its covenants, agreements, undertakings or obligations set forth in this Agreement or any instrument, certificate or agreement entered into or delivered by Investor pursuant to this Agreement.

Section 7.3. Notice. Promptly after receipt by either party hereto seeking indemnification pursuant to Section 7.2 (an "Indemnified Party") of written notice of any investigation, claim, proceeding or other action in respect of which indemnification is being sought (each, a "Claim"), the Indemnified Party promptly shall notify the party against whom indemnification pursuant to Section 7.2 is being sought (the "Indemnifying Party") of the commencement thereof; but the omission to so notify the Indemnifying Party shall not relieve it from any liability that it otherwise may have to the Indemnified Party, except to the extent that the Indemnifying Party is materially prejudiced and forfeits substantive rights and defenses by reason of such failure. In connection with any Claim as to which both the Indemnifying Party and the Indemnified Party are parties, the Indemnifying Party shall be entitled to assume the defense thereof. Notwithstanding the assumption of the defense of any Claim by the Indemnifying Party, the Indemnified Party shall have the right to employ separate legal counsel and to participate in the defense of such Claim, and the Indemnifying Party shall bear the reasonable fees, out-of-pocket costs and expenses of such separate legal counsel to the Indemnified Party if (and only if): (x) the Indemnifying Party shall have agreed to pay such fees, out-of-pocket costs and expenses, (y) the Indemnified Party and the Indemnifying Party reasonably shall have concluded that representation of the Indemnified Party and the Indemnifying Party by the same legal counsel would not be appropriate due to actual or, as reasonably determined by legal counsel to the Indemnified Party, potentially differing interests between such parties in the conduct of the defense of such Claim, or if there may be legal defenses

available to the Indemnified Party that are in addition to or disparate from those available to the Indemnifying Party, or (z) the Indemnifying Party shall have failed to employ legal counsel reasonably satisfactory to the Indemnified Party within a reasonable period of time after notice of the commencement of such Claim. If the Indemnified Party employs separate legal counsel in circumstances other than as described in clauses (x), (y) or (z) above, the fees, costs and expenses of such legal counsel shall be borne exclusively by the Indemnified Party. Except as provided above, the Indemnifying Party shall not, in connection with any Claim in the same jurisdiction, be liable for the fees and expenses of more than one firm of legal counsel for the Indemnified Party (together with appropriate local counsel). The Indemnifying Party shall not, without the prior written consent of the Indemnified Party (which consent shall not unreasonably be withheld), settle or compromise any Claim or consent to the entry of any judgment that does not include an unconditional release of the Indemnified Party from all liabilities with respect to such Claim or judgment.

Section 7.4. Direct Claims. In the event one party hereunder should have a claim for indemnification that does not involve a claim or demand being asserted by a third party, the Indemnified Party promptly shall deliver notice of such claim to the Indemnifying Party. If the Indemnified Party disputes the claim, such dispute shall be resolved by mutual agreement of the Indemnified Party and the Indemnifying Party.

ARTICLE VIII

DILIGENCE REVIEW; NON-DISCLOSURE OF NON-PUBLIC INFORMATION.

Section 8.1. Due Diligence Review. The Company shall make available for inspection and review by the Investor, advisors to and representatives of the Investor (who may or may not be affiliated with the Investor and who are reasonably acceptable to the Company), any underwriter participating in any disposition of the Registrable Securities on behalf of the Investor pursuant to the Registration Statement, any such registration statement or amendment or supplement thereto or any blue sky, NASD or other filing, all SEC Documents and other filings with the SEC, and all other publicly available corporate documents and properties of the Company as may be reasonably necessary for the purpose of such review, and cause the Company's officers, directors and employees to supply all such publicly available information reasonably requested by the Investor or any such representative, advisor or underwriter in connection with such Registration Statement (including, without limitation, in response to all questions and other inquiries reasonably made or submitted by any of them), prior to and from time to time after the filing and effectiveness of the Registration Statement for the sole purpose of enabling the Investor and such representatives, advisors and underwriters and their respective accountants and attorneys to conduct initial and ongoing due diligence with respect to the Company and the accuracy of the Registration Statement.

Section 8.2. Non-Disclosure of Non-Public Information

(a) The Company shall not disclose non-public information to the Investor, advisors to or representatives of the Investor unless prior to disclosure of such information the Company identifies such information as being non-public information and provides the Investor, such advisors and representatives with the opportunity to accept or refuse to accept such non-public information for review. Other than disclosure of any comment letters received from the SEC staff with respect to the Registration Statement, the Company may, as a condition to disclosing any non-public information hereunder, require the Investor's advisors and representatives to enter into a confidentiality agreement in form reasonably satisfactory to the Company and the Investor.

(b) Nothing herein shall require the Company to disclose non-public information to the Investor or its advisors or representatives, and the Company represents that it does not disseminate non-public information to any investors who purchase stock in the Company in a public offering, to money managers or to securities analysts, provided, however, that notwithstanding anything herein to the contrary, the Company will, as hereinabove provided, immediately notify the advisors and representatives of the Investor and, if any, underwriters, of any event or the existence of any circumstance (without any obligation to disclose the specific event or circumstance) of which it becomes aware, constituting non-public information (whether or not requested of the Company specifically or generally during the course of due diligence by such persons or entities), which, if not disclosed in the prospectus included in the Registration Statement would cause such prospectus to include a material misstatement or to omit a material fact required to be stated therein in order to make the statements, therein in light of the circumstances in which they were made, not misleading. Nothing contained in this Section 8.2 shall be construed to mean that such persons or entities other than the Investor (without the written consent of the Investor prior to disclosure of such information) may not obtain non-public information in the course of conducting due diligence in accordance with the terms of this Agreement and nothing herein shall prevent any such persons or entities from notifying the Company of their opinion that based on such due diligence by such persons or entities, that the Registration Statement contains an untrue statement of a material fact or omits a material fact required to be stated in the Registration Statement or necessary to make the statements contained therein, in light of the circumstances in which they were made, not misleading.

ARTICLE IX

LEGENDS

Section 9.1. Legends. Unless otherwise provided below, each certificate representing Registrable Securities will bear the following legend or equivalent (the "Legend"):

THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY OTHER APPLICABLE SECURITIES LAWS AND HAVE BEEN ISSUED IN RELIANCE UPON AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE

SECURITIES ACT AND SUCH OTHER SECURITIES LAWS. NEITHER THIS SECURITY NOR ANY INTEREST OR PARTICIPATION HEREIN MAY BE REOFFERED, SOLD, ASSIGNED, TRANSFERRED, PLEDGED, ENCUMBERED, HYPOTHECATED OR OTHERWISE DISPOSED OF, EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO A TRANSACTION THAT IS EXEMPT FROM, OR NOT SUBJECT TO, SUCH REGISTRATION.

Upon the execution and delivery hereof, the Company is issuing to the transfer agent for its Common Stock (and to any substitute or replacement transfer agent for its Common Stock upon the Company's appointment of any such substitute or replacement transfer agent) instructions in substantially the form of Exhibit E hereto. Such instructions shall be irrevocable by the Company from and after the date hereof or from and after the issuance thereof to any such substitute or replacement transfer agent, as the case may be, except as otherwise expressly provided in the Registration Rights Agreement. It is the intent and purpose of such instructions, as provided therein, to require the transfer agent for the Common Stock from time to time upon transfer of Registrable Securities by the Investor to issue certificates evidencing such Registrable Securities free of the Legend during the following periods and under the following circumstances and without consultation by the transfer agent with the Company or its counsel and without the need for any further advice or instruction or documentation to the transfer agent by or from the Company or its counsel or the Investor:

(a) at any time after the Effective Date, upon surrender of one or more certificates evidencing Common Stock that bear the Legend, to the extent accompanied by a notice requesting the issuance of new certificates free of the Legend to replace those surrendered; provided that (i) the Registration Statement shall then be effective; (ii) the Investor confirms to the transfer agent that it has sold, pledged or otherwise transferred or agreed to sell, pledge or otherwise transfer such Common Stock in a bona fide transaction to a third party that is not an affiliate of the Company; and (iii) the Investor confirms to the transfer agent that the Investor has complied with the prospectus delivery requirement.

(b) at any time upon any surrender of one or more certificates evidencing Registrable Securities that bear the Legend, to the extent accompanied by a notice requesting the issuance of new certificates free of the Legend to replace those surrendered and containing representations that (i) the Investor is permitted to dispose of such Registrable Securities without limitation as to amount or manner of sale pursuant to Rule 144(k) under the Securities Act or (ii) the Investor has sold, pledged or otherwise transferred or agreed to sell, pledge or otherwise transfer such Registrable Securities in a manner other than pursuant to an effective registration statement, to a transferee who will upon such transfer be entitled to freely tradeable securities.

Any of the notices referred to above in this Section 9.1 may be sent by facsimile to the Company's transfer agent.

Section 9.2. No Other Legend or Stock Transfer Restrictions. No legend other than the one specified in Section 9.1 has been or shall be placed on the share certificates representing the Common Stock and no instructions or "stop transfer orders," so called, "stock transfer restrictions," or other restrictions have been or shall be given to the Company's transfer agent with respect thereto other than as expressly set forth in this Article IX.

Section 9.3. Investor's Compliance. Nothing in this Article shall affect in any way the Investor's obligations under any agreement to comply with all applicable securities laws upon resale of the Common Stock.

ARTICLE X

CHOICE OF LAW

Section 10.1. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to the conflicts of law principles of such state. Each party hereto hereby submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York State Court sitting in New York City for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. Each party hereto irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court has been brought in an inconvenient forum. Each party hereto hereby irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

ARTICLE XI

The terms and conditions of all Exhibits to this Agreement are incorporated herein by this reference and shall constitute part of this Agreement as is fully set forth herein.

Section 14.3. Survival; Severability. The representations, warranties, covenants and agreements of the parties hereto shall survive each Closing hereunder. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; provided that such severability shall be ineffective if it materially changes the economic benefit of this Agreement to any party.

CERTIFICATE OF DESIGNATIONS,
PREFERENCES AND RIGHTS OF
SERIES F CONVERTIBLE PREFERRED STOCK OF
INTEGRATED SURGICAL SYSTEMS, INC.
PURSUANT TO SECTION 151 OF THE DELAWARE
GENERAL CORPORATION LAW

Integrated Surgical Systems, Inc., a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware (hereinafter the "Corporation"), in accordance with the provisions of Section 151(g) thereof, DOES HEREBY CERTIFY that at a meeting of the Board of Directors of the Corporation duly held on January 24, 2000:

FIRST: The following resolution was duly adopted by the Board of Directors of the Corporation:

"RESOLVED: That pursuant to the authority vested in the Board of Directors of the Corporation by Article 4 of the Corporation's restated certificate of incorporation, as amended (the "Certificate of Incorporation"), a series of Preferred Stock of the Corporation be, and it hereby is, created out of the authorized but unissued shares of the capital stock of the Corporation, such series to be designated Series F Convertible Preferred Stock (the "Series F Convertible Preferred Stock"), to consist of 2,000 shares, par value \$0.01 per share, of which the preferences and relative and other rights, and the qualifications, limitations or restrictions thereof, shall be as set forth in the Certificate of Designations annexed hereto:

1. NUMBER OF SHARES OF SERIES F CONVERTIBLE PREFERRED STOCK. Of the 989,730 shares of authorized but unissued Preferred Stock, \$0.01 par value ("Preferred Stock") of the Corporation, two thousand (2,000) shares shall be designated and known as Series F Convertible Preferred Stock, par value \$0.01 per share ("Series F Convertible Preferred Stock").

2. VOTING.

(a) Unless required by law, no holder of any shares of Series F Convertible Preferred Stock shall be entitled to vote at any meeting of stockholders of the Corporation (or any written actions of stockholders in lieu of meetings) with respect to any matters presented to the stockholders of the Corporation for their action or consideration. Notwithstanding the foregoing, the Corporation shall provide each holder of record of Series F Convertible Preferred Stock with timely

notice of every meeting of stockholders of the Corporation and shall provide each holder with copies of all proxy materials distributed in connection therewith.

(b) So long as shares of Series F Convertible Preferred Stock are outstanding, the Corporation shall not, without first obtaining the approval (by vote or written consent, as provided by the Delaware General Corporation Law) of the holders of at least 85% of the then outstanding shares of Series F Convertible Preferred Stock:

(i) alter or change the rights, preferences or privileges of the Series F Convertible Preferred Stock;

(ii) create any new class or series of capital stock ranking on a parity with ("Pari Passu Securities") or a preference over the Series F Convertible Preferred Stock as to distribution of assets upon liquidation, dissolution or winding up of the Corporation ("Senior Securities") or alter or change the rights, preferences or privileges of any Senior Securities so as to affect adversely the Series F Convertible Preferred Stock;

(iii) increase the authorized number of shares of Series F Convertible Preferred Stock; or

(iv) do any act or thing not authorized or contemplated by this Certificate of Designations which would result in taxation of the holders of shares of the Series F Convertible Preferred Stock under Section 305 of the Internal Revenue Code of 1986, as amended (or any comparable provision of the Internal Revenue Code as hereafter from time to time amended).

In the event holders of at least 85% of the then outstanding shares of Series F Convertible Preferred Stock agree to allow the Corporation to alter or change the rights, preferences or privileges of the shares of Series F Convertible Preferred Stock, pursuant to subsection (b) above, so as to affect the Series F Convertible Preferred Stock, then the Corporation will deliver notice of such approved change to the holders of the Series F Convertible Preferred Stock that did not agree to such alteration or change (the "Dissenting Holders") and Dissenting Holders shall have the right for a period of thirty (30) days to convert any and all shares of then held Series F Convertible Preferred Stock pursuant to the terms of this Certificate of Designations as in effect prior to such alteration or change, or else to continue to hold their shares of Series F Convertible Preferred Stock.

3. DIVIDENDS

No holder of any shares of Series F Convertible Preferred Stock shall be entitled to receive any dividends.

4. LIQUIDATION.

(a) If the Corporation shall commence a voluntary case under the Federal bankruptcy laws or any other applicable Federal or state bankruptcy, insolvency or similar law, or consent to the entry of an order for relief in an involuntary case under any law or to the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or make an assignment for the benefit of its creditors, or admit in writing its inability to pay its debts generally as they become due, or if a decree or order for relief in respect of the Corporation shall be entered by a court having jurisdiction in the premises in an involuntary case under the Federal bankruptcy laws or any other applicable Federal or state bankruptcy, insolvency or similar law resulting in the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order shall be unstayed and in effect for a period of thirty (30) consecutive days and, on account of any such event, the Corporation shall liquidate, dissolve or wind up, or if the Corporation shall otherwise liquidate, dissolve or wind up (each such event being considered a "Liquidating Event"), no distribution shall be made to the holders of any shares of capital stock of the Corporation upon liquidation, dissolution or winding up unless prior thereto, the holders of shares of Series F Convertible Preferred Stock shall have received the Liquidation Preference (as defined in Paragraph 4(c)) with respect to each share. If upon the occurrence of a Liquidation Event, the assets and funds available for distribution among the holders of the Series F Convertible Preferred Stock and holders of Pari Passu Securities shall be insufficient to permit the payment to such holders of the preferential amounts payable thereon, then the entire assets and funds of the Corporation legally available for distribution to the Series F Convertible Preferred Stock and the Pari Passu Securities shall be distributed ratably among such shares in proportion to the ratio that that Liquidation Preference payable on each such share bears to the aggregate Liquidation Preference payable on all such shares.

(b) At the option of each holder of the Series F Convertible Preferred Stock, the sale, conveyance or disposition of all or substantially all of the assets of the Corporation, the effectuation by the Corporation of a transaction or series or related transactions in which more than 50% of the voting power of the Corporation is disposed of, or the consolidation, merger or other business combination of the Corporation with or into any other Person or Persons when the Corporation is not the survivor shall be deemed to be a liquidation, dissolution or winding up of the Corporation pursuant to which the Corporation shall be required to distribute, upon consummation of and as a condition to such transaction an amount equal to the Liquidation Preference with respect to each outstanding share of Series F Convertible Preferred Stock held by such Holder in accordance with and subject to the terms of this Article 4.

(c) The Liquidation Preference shall be the Stated Value of \$1,000 per share of Series F Convertible Preferred Stock.

(d) The Series F Convertible Preferred Stock shall rank on a parity with the Corporation's Series D Convertible Preferred Stock and Series E Convertible Preferred Stock as

to the distribution of the assets of the Corporation upon liquidation, dissolution or winding up of the Corporation.

5. OPTIONAL CONVERSION. The holders of shares of Series F Convertible Preferred Stock shall have the following conversion rights:

(a) RIGHT TO CONVERT; CONVERSION PRICE. Subject to the terms, conditions, and restrictions of this Paragraph 5, the holder of any shares of Series F Convertible Preferred Stock shall have the right to convert each such share of Series F Convertible Preferred Stock (except that upon any liquidation of the Corporation, the right of conversion shall terminate at the close of business on the business day fixed for payment of the amount distributable on the Series F Convertible Preferred Stock) into a number of shares of Common Stock equal to the Stated Value of such share or shares of Series F Convertible Preferred Stock divided by (i) the lowest price at which a trade of the Common Stock is executed, as reported by Bloomberg L.P., on the principal market for the Corporation's Common Stock (the "Principal Market") during the period of five Trading Days ending with the last Trading Day prior to the date of conversion (the "Market Price"), after (ii) discounting the Market Price by 15% to determine the conversion price (the "Conversion Price"). To illustrate, if the Market Price as of the Conversion Date is \$1.35 and 100 shares of Series F Convertible Preferred Stock are being converted, the Stated Value for which would be \$100,000, then the Conversion Price shall be \$1.15 per share of Common Stock ($\$1.35 \times .85$), whereupon the Stated Value of \$100,000 of Series F Convertible Preferred Stock would entitle the holder thereof to convert the 100 shares of Series F Convertible Preferred Stock into 86,957 shares of Common Stock ($\$100,000$ divided by 1.15 equals 86,957). However, in no event shall the Conversion Price be greater than \$1.22 per share of Common Stock (the "Maximum Conversion Price"). The right of each holder to convert shares of Series F Convertible Preferred Stock into shares of Common Stock is subject to the limitations set forth in Paragraph 5(b) below, and for the purpose of complying with the limitation set forth in Paragraph 5(b)(ii), shall be prorated among the original purchasers of the shares of Series F Convertible Preferred Stock (the "Initial Purchasers") and their subsequent transferees, if any, based upon the number of shares of Series F Convertible Preferred Stock purchased by the Initial Purchasers. In addition, instead of issuing shares of Common Stock upon conversion, upon prior written notice to the holder, the Corporation may elect to pay the holder an amount in cash equal to (i) the closing sale price on the Principal Market on the day prior to the date of conversion (the "Conversion Date") multiplied by (ii) the number of shares of Common Stock which would otherwise be issuable to the holder upon such conversion, or any combination of cash and shares of Common Stock. If notice of the Corporation's election to pay the holder in cash is not received by the holder prior to the receipt by the Corporation of a Conversion Notice, the Corporation shall pay the holder in shares of Common Stock.

(b) NUMERICAL LIMITATIONS. (i) No shares of Series F Convertible Preferred Stock may be converted into Common Stock, to the extent that, after giving effect to the conversion and issuance of the Common Stock to be issued pursuant to the applicable Conversion Notice (as defined in Paragraph 5(c) below), the total number of shares of Common Stock deemed beneficially owned by the holder requesting conversion (other than by virtue of the ownership of unconverted shares of Series F Convertible Preferred Stock or the ownership of other securities that have limitations on a holder's rights to exchange, convert or exercise similar to those limitations set forth herein), together with all shares of Common Stock deemed beneficially owned by such holder's Affiliates (as defined in Rule 405 of the Securities Act of 1933, as amended) that would be aggregated for purposes of determining whether a group under Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder, would exceed 5% of the total issued and outstanding shares of Common Stock. If any court of competent jurisdiction shall determine that the foregoing limitation is ineffective to prevent a holder from being deemed the beneficial owner of more than 5% of the then outstanding shares of Common Stock, then the Corporation shall redeem so many of such holder's shares of Series F Convertible Preferred Stock pursuant to Paragraph 7(a) hereof as are necessary to cause such holder to be deemed the beneficial owner of not more than 5% of the then outstanding shares of Common Stock.

(ii) Unless the Corporation shall have obtained the approval of its voting stockholders to such issuance, if required in accordance with the rules of the Principal Market, the Corporation shall not issue shares of Common Stock upon conversion of any shares of Series F Convertible Preferred Stock if such issuance of Common Stock, when added to the number of shares of Common Stock previously issued by the Corporation upon conversion of shares of the Series F Convertible Preferred Stock, together with shares of Common Stock issued and issuable upon exercise of warrants issued in connection with the sale of shares of Series F Convertible Preferred Stock, would result in the issuance of more than 19.9% of the number of shares of Common Stock which were issued and outstanding on the date upon which the Series F Convertible Preferred Stock was originally issued (the "Original Issuance Date"). To the extent the number of shares of Common Stock issuable upon conversion would but for the limitation set forth in this Paragraph 5(b)(ii) exceed such limit, the Corporation shall redeem promptly (but not later than the fifth Trading Day after receipt of the applicable Conversion Notice) the shares of Series F Convertible Preferred Stock that may not be converted into shares of Common Stock as a result of such limitation for an amount in cash equal to the greater of (i) \$1,500 per share of Series F Convertible Preferred Stock and (ii) an amount equal to the product of the closing sale price of a share of Common Stock on the Trading Date immediately preceding the date of the Conversion Notice and the number of shares of Common Stock into which such shares of Series F Convertible Preferred Stock could have been converted but for such limitation on the date of the Conversion Notice, and the holders of the Series F Convertible Preferred Stock shall be creditors of the Corporation with respect to that amount.

(c) NOTICE OF CONVERSION. The right of conversion shall be exercised by the holder thereof by giving written notice (the "Conversion Notice") to the Corporation, by facsimile or by registered mail or overnight delivery service, with a copy by facsimile to the Corporation's then transfer agent for its Common Stock, as designated by the Corporation from time to time, that the holder elects to convert a specified number of shares of Series F Convertible Preferred Stock representing a specified Stated Value thereof into Common Stock and, if such conversion will result in the conversion of all of such holder's shares of Series F Convertible Preferred Stock, by surrender of a certificate or certificates for the shares so to be converted to the Corporation at its principal office (or such other office or agency of the Corporation as the Corporation may designate by notice in writing to the holders of the Series F Convertible Preferred Stock) at any time during its usual business hours on the date set forth in the Conversion Notice, together with a statement of the name or names (with address) in which the certificate or certificates for shares of Common Stock shall be issued. The Conversion Notice shall include therein the Stated Value of shares of Series F Convertible Preferred Stock to be converted, and a calculation (i) of the Market Price, (ii) the Conversion Price, and (iii) the number of shares of Common Stock to be issued in connection with such conversion.

(d) ISSUANCE OF CERTIFICATES; TIME CONVERSION EFFECTED. (i) Promptly, but in no event more than three business days, after the receipt of the Conversion Notice referred to in Subparagraph 5(c) (and surrender of the certificate or certificates for the share or shares of Series F Convertible Preferred Stock to be converted within three business days after the receipt of the Conversion Notice, if requested), the Corporation shall issue and deliver, or cause to be issued and delivered, to the holder, registered in such name or names as such holder may direct, a certificate or certificates for the number of whole shares of Common Stock into which such shares of Series F Convertible Preferred Stock are converted. To the extent permitted by law, such conversion shall be deemed to have been effected on the date on which such Conversion Notice shall have been received by the Corporation and at the time specified stated in such Conversion Notice, which must be during the calendar day of such notice, and at such time the rights of the holder of such share or shares of Series F Convertible Preferred Stock shall cease, and the person or persons in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the holder or holders of record of the shares represented thereby. Issuance of shares of Common Stock issuable upon conversion which are requested to be registered in a name other than that of the registered holder shall be subject to compliance with all applicable federal and state securities laws.

(ii) The Corporation understands that a delay in the issuance of the shares of Common Stock beyond three business days could result in economic loss to the holder. As compensation to the holder for such loss, the Corporation agrees to pay late payments to the holder for late issuance of shares of Common Stock upon conversion in accordance with the following schedule (where "No. Business Days Late" is defined as the number of business days beyond three (3) business days from the date of receipt of the Conversion Notice):

No. Business Days Late

Late Payment For Each
\$5,000 of Liquidation Preference
Amount Being Converted

1	\$100
2	\$200
3	\$300
4	\$400

6	\$600
7	\$700
8	\$800
9	\$900
10	\$1,000
>10	\$1,000 + \$200 for each Business Day Late beyond 10 days

The Corporation shall pay any payments incurred under this Paragraph in immediately available funds upon demand. Nothing herein shall limit holder's right to pursue injunctive relief and/or actual damages for the Corporation's failure to issue and deliver Common Stock to the holder. Furthermore, in addition to any other remedies which may be available to the holder, in the event that the Corporation fails for any reason to effect delivery of such shares of Common Stock within five business days the date of receipt of the Conversion Notice, the holder will be entitled to revoke the relevant Conversion Notice by delivering a notice to such effect to the Corporation whereupon the Corporation and the holder shall each be restored to their respective positions immediately prior to delivery of such Conversion Notice.

(iii) If, at any time (a) the Corporation challenges, disputes or denies the right of the holder to effect the conversion of the Series F Convertible Preferred Stock into Common Shares or otherwise dishonors or rejects any Conversion Notice delivered in accordance with this Paragraph 5 or (b) any third party who is not and has never been an Affiliate of the holder commences any lawsuit or proceeding or otherwise asserts any claim before any court or public or governmental authority which seeks to challenge, deny, enjoin, limit, modify, delay or dispute the right of the holder hereof to effect the conversion of the Series F Convertible Preferred Stock into Common Stock, then the holder shall have the right, by written notice to the Corporation, to require the Corporation to promptly (but not later than the fifth Trading Day after receipt of such notice) redeem the Series F Convertible Preferred Stock for cash at a redemption price equal to one hundred thirty-five percent (135%) of the Stated Value thereof (the "Mandatory Purchase Amount"). Under any of the circumstances set forth above, the Corporation shall be responsible for the payment of all costs and expenses of the holder, including reasonable legal fees and expenses, as and when incurred in disputing any such action or pursuing its rights hereunder (in addition to any other rights of the holder).

(iv) The holder shall be entitled to exercise its conversion privilege notwithstanding the commencement of any case under 11 U.S.C. Section 101 et seq. (the "Bankruptcy Code"). In the event the Corporation is a debtor under the Bankruptcy Code, the Corporation hereby waives to the fullest extent permitted any rights to relief it may have under 11 U.S.C. Section 362 in respect of the holder's conversion privilege. The Corporation hereby waives to the fullest extent permitted any rights to relief it may have under 11 U.S.C. Section 362 in respect of the conversion of the Series F Convertible Preferred Stock. The Corporation agrees, without cost or expense to the holder, to take or consent to any and all action necessary to effectuate relief under 11 U.S.C. Section 362.

(e) FRACTIONAL SHARES. No fractional shares shall be issued upon conversion of Series F Convertible Preferred Stock into Common Stock. All fractional shares shall be rounded up to the nearest whole share.

(f) REORGANIZATION OR RECLASSIFICATION. If any capital reorganization or reclassification of the capital stock of the Corporation shall be effected in such a way that holders of Common Stock shall be entitled to receive stock, securities or assets with respect to or in exchange for Common Stock, or, in the case of any consolidation, merger or mandatory share exchange of the Corporation into any other company, then, as a condition of such reorganization, reclassification or exchange, lawful and adequate provisions shall be made whereby each holder of a share or shares of Series F Convertible Preferred Stock shall thereupon have the right to receive, upon the basis and upon the terms and conditions specified herein and in lieu of the shares of Common Stock immediately theretofore receivable upon the conversion of such share or shares of Series F Convertible Preferred Stock, such shares of stock, securities or assets as may be issued or payable with respect to or in exchange for a number of outstanding shares of such Common Stock equal to the number of shares of such Common Stock immediately theretofore receivable upon such conversion had such reorganization, reclassification or exchange not taken place, and in any such case appropriate provisions shall be made with respect to the rights and interests of such holder to the end that the provisions hereof (including without limitation provisions for adjustments of the conversion rights) shall thereafter be applicable, as nearly as may be, in relation to any shares of stock, securities or assets thereafter deliverable upon the exercise of such conversion rights.

(g) ADJUSTMENTS FOR SPLITS, COMBINATIONS, ETC. The Conversion Price and the number of shares of Common Stock into which the Series F Convertible Preferred Stock shall be convertible shall be adjusted for stock splits, combinations, or other similar events. Additionally, an adjustment will be made in the case of an exchange of Common Stock, consolidation or merger of the Corporation with or into another corporation or sale of all or substantially all of the assets of the Corporation in order to enable the holder of Series F Convertible Preferred Stock to acquire the kind and the number of shares of stock or other securities or property receivable in such event by a holder of the number of shares of Common Stock that might otherwise have been issued upon the conversion of the Series F Convertible Preferred Stock. No adjustment to the Conversion Price will be made for dividends (other than stock dividends), if any, paid on the Common Stock or for securities issued pursuant to exercise for fair value of options, warrants, or restricted stock.

(h) ADJUSTMENTS TO CONVERSION RATIO. For so long as any shares of Series F Convertible Preferred Stock are outstanding, but no later than one year from the effective date of a registration statement registering for resale by the holders the shares of Common Stock issuable

upon conversion of the Series F Convertible Preferred Stock, if the Corporation (i) issues and sells pursuant to an exemption from registration under the Securities Act (A) Common Stock at a purchase price on the date of issuance thereof that is lower than the Conversion Price at such date (other than shares of Common Stock issued upon conversion of the Corporation's convertible preferred stock outstanding on the Original Issuance Date, or in connection with the exercise of any warrants or options outstanding on the Original Issuance Date or pursuant to the Corporation's 1998 Employee Stock Purchase Plan), (B) warrants or options with an exercise price on the date of issuance of the warrants or options that is lower than the Conversion Price on such date (other than options and stock awards granted pursuant to the Corporation's 1995 and 1998 Stock Option Plans), or (C) convertible, exchangeable or exercisable securities with a right to convert, exchange or exercise at a price or rate lower than the Conversion Price on the date of issuance or conversion, as applicable, of such convertible, exchangeable or exercisable securities (other than the options and stock awards granted pursuant to the Corporation's 1995 and 1998 Stock Option Plans); and (ii) grants the right to the purchaser(s) thereof to demand that the Corporation register under the Securities Act such Common Stock issued or the Common Stock for which such warrants or options may be exercised or such convertible, exchangeable or exercisable securities may be converted, exercised or exchanged, then the Conversion Price shall be reduced to a rate equal to the lowest of any lower rates since the most recently received Conversion Notice, and such Adjusted Conversion Price shall apply to any future Conversion Notices received by the Corporation, unless the unadjusted Conversion Price would be lower than the Adjusted Conversion Price. The Adjusted Conversion Price as it may exist from time to time shall not apply retroactively to any shares of Series F Convertible Preferred Stock converted prior to the implementation of such Adjusted Conversion Price. Notwithstanding the foregoing, the Corporation may issue up to an aggregate total of Three Hundred Thousand (300,000) shares of Common Stock (subject to adjustment only for stock splits, stock dividends and reverse stock splits) at any price determined by the Board of Directors, after the Original Issuance Date, without causing an Adjusted Conversion Price.

6. MANDATORY CONVERSION.

(a) MANDATORY CONVERSION DATE. If on or after the third anniversary of the Original Issuance Date (such date as selected by the Corporation being the "Mandatory Conversion Date"), there remain issued and outstanding any shares of Series F Convertible Preferred Stock, then the Corporation shall be entitled to require all (but not less than all) holders of shares of Series F Convertible Preferred Stock then outstanding to convert their shares of Series F Convertible Preferred Stock into shares of Common Stock or, at the option of the Corporation, to buy out all such holders in cash, at the price set forth in Paragraph 5(a). The Corporation shall provide written notice (the "Mandatory Conversion Notice") to the holders of shares of Series F Convertible Preferred Stock of such mandatory conversion or such mandatory buy-out. The Mandatory Conversion Notice shall include (i) the Stated Value of the shares of Series F Convertible Preferred Stock to be converted or bought out, (ii) the Conversion Price at the Mandatory Conversion Date, and (iii) the number of shares of the Corporation's Common Stock to be issued (or the amount of cash to be paid in the event of a buy-out) upon such mandatory conversion or such mandatory buy-out at the then applicable Conversion Price. Notwithstanding the foregoing, in no event shall the Corporation convert that portion of the Series F Convertible Preferred Stock to the extent that the issuance of Common Stock upon the conversion of such Series F Convertible Preferred Stock, when combined with shares of Common Stock received upon other conversions of Series F Convertible

Preferred Stock and exercise of the warrants issued in connection with the purchase of Series F Convertible Preferred Stock by such holder and any other holders of Series F Convertible Preferred Stock, would exceed 19.99% of the number of shares of Common Stock outstanding on the Original Issuance Date, or as to any individual holder, make such holder the beneficial owner of more than 5% of the Corporation's then outstanding Common Stock.

(b) SURRENDER OF CERTIFICATES. On or before the Mandatory Conversion Date, each holder of shares of Series F Convertible Preferred Stock shall surrender his or its certificate or certificates for all such shares to the Corporation at the place designated in such Mandatory Conversion Notice (or an affidavit of lost certificate in form and content reasonably satisfactory to the Corporation), and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled or, in the event of a buy-out by the Corporation, the amount of cash to which such holder is entitled within three business days. On the Mandatory Conversion Date, all rights with respect to the Series F Convertible Preferred Stock so converted will terminate. All certificates evidencing shares of Series F Convertible Preferred Stock that are required to be surrendered for conversion in accordance with the provisions hereof, from and after the Mandatory Conversion Date, shall be deemed to have been retired and cancelled, notwithstanding the failure of the holder or holders thereof to surrender such certificates on or prior to such date. The Corporation may thereafter take such appropriate action as may be necessary to reduce the authorized Series F Convertible Preferred Stock accordingly.

7. REDEMPTION OF SERIES F CONVERTIBLE PREFERRED STOCK.

(a) RIGHT TO REDEEM SERIES F CONVERTIBLE PREFERRED STOCK. At any time, and from time to time, on and after the expiration of the earlier of (i) six months from the Original Issuance Date, or (ii) the closing of a registered firm-commitment underwritten secondary offering of equity securities by the Corporation for cash, the Corporation may, in its sole discretion, but shall not be obligated to, redeem, in whole or in part, the then issued and outstanding shares of Series F Convertible Preferred Stock, at a price (the "Redemption Price") equal to the greater of (x) \$1,500 per share of such Series F Convertible Preferred Stock and (y) an amount equal to the product of the closing sale price of a share of Common Stock on the Principal Market on the Trading Day prior to the date of the Redemption Notice (as hereinafter defined) and the number of shares of Common Stock into which such shares of Series F Convertible Preferred Stock could be converted on the date of the Redemption Notice.

(b) NOTICE OF REDEMPTION. The Corporation shall provide each holder of record of the Series F Convertible Preferred Stock being redeemed with written notice of redemption (the "Redemption Notice") not less than 30 days prior to any date stipulated by the Corporation for the redemption of the Series F Convertible Preferred Stock (the "Redemption Date"). The Redemption Notice shall contain (i) the Redemption Date, (ii) the number of shares of Series F Convertible Preferred Stock to be redeemed from the holder to whom the Redemption Notice is delivered, (iii) instructions for surrender to the Corporation of the certificate or certificates representing the shares of Series F Convertible Preferred Stock to be redeemed, and (iv) a procedure for the holder to specify the number of shares of Series F Convertible Preferred Stock to be converted into Common Stock pursuant to Paragraph 5.

(c) RIGHT TO CONVERT SERIES F CONVERTIBLE PREFERRED STOCK UPON RECEIPT OF REDEMPTION NOTICE. Upon receipt of the Redemption Notice, the recipient thereof shall have the option, at its sole election, to specify what portion of the Series F Convertible Preferred Stock called for redemption in the Redemption Notice shall be redeemed as provided in this Paragraph 7 or converted into Common Stock in the manner provided in Paragraph 5. If the holder of the Series F Convertible Preferred Stock called for redemption elects to convert any of such shares, then such conversion shall take place on the Conversion Date specified by the holder, but in no event after the Redemption Date, in accordance with the terms of Paragraph 5.

(d) SURRENDER OF CERTIFICATES; PAYMENT OF REDEMPTION PRICE. On or before the Redemption Date, each holder of the shares of Series F Convertible Preferred Stock to be redeemed shall surrender the required certificate or certificates representing such shares to the Corporation, in the manner and at the place designated in the Redemption Notice, and upon payment to the holder of the Redemption Price, each such surrendered certificate shall be cancelled and retired. If payment of such redemption price is not made in full by the Redemption Date, the holder shall again have the right to convert the Series F Convertible Preferred Stock as provided in Paragraph 5 hereof and the Corporation's right of redemption under this Paragraph 7 shall cease to exist from and after the Redemption Date. If a certificate is surrendered and all the shares evidenced thereby are not being redeemed, the Corporation shall issue new certificates to be registered in the names of the person(s) whose name(s) appear(s) as the owners on the respective surrendered certificates and deliver such certificate to such person(s).

8. NOTICES. In case at any time:

(a) the Corporation shall declare any dividend upon its Common Stock payable in cash or stock or make any other pro rata distribution to the holders of its Common Stock; or

(b) the Corporation shall offer for subscription pro rata to the holders of its Common Stock any additional shares of stock of any class or other rights; or

(c) there shall be any capital reorganization or reclassification of the capital stock of the Corporation, or a consolidation or merger of the Corporation with or into, or a sale of all or substantially all its assets to, another entity or entities; or

(d) there shall be a voluntary or involuntary dissolution, liquidation or winding up of the Corporation;

then, in any one or more of said cases, the Corporation shall give, by first class mail, postage prepaid, or by telex or facsimile or by recognized overnight delivery service to non-U.S. residents, addressed to each holder of any shares of Series F Convertible Preferred Stock at the address of such holder as shown on the books of the Corporation, (i) at least 10 days' prior written notice of the date on which the books of the Corporation shall close or a record shall be taken for such dividend, distribution or subscription rights or for determining rights to vote in respect of any such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding

up and (ii) in the case of any such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding up, at least 10 days' prior written notice of the date when the same shall take place. Such notice in accordance with the foregoing clause (i) shall also specify, in the case of any such dividend, distribution or subscription rights, the date on which the holders of Common Stock shall be entitled thereto and (ii) shall also specify the date on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, sale, dissolution, liquidation or winding up, as the case may be.

9. STOCK TO BE RESERVED. The Corporation, upon the effective date of this Certificate of Designations, has a sufficient number of shares of Common Stock available to reserve for issuance upon the conversion of all outstanding shares of Series F Convertible Preferred Stock. The Corporation will at all times reserve and keep available out of its authorized Common Stock, solely for the purpose of issuance upon the conversion of Series F Convertible Preferred Stock as herein provided, such number of shares of Common Stock as shall then be issuable upon the conversion of all outstanding shares of Series F Convertible Preferred . The Corporation covenants that all shares of Common Stock which shall be so issued shall be duly and validly issued, fully paid and non-assessable. The Corporation will take all such action as may be so taken without violation of any applicable law or regulation, or of any requirement of any national securities exchange upon which the Common Stock may be listed to have a sufficient number of authorized but unissued shares of Common Stock to issue upon conversion of the Series F Convertible Preferred Stock. The Corporation will not take any action which results in any adjustment of the conversion rights if the total number of shares of Common Stock issued and issuable after such action upon conversion of the Series F Convertible Preferred Stock would exceed the total number of shares of Common Stock then authorized by the Corporation's Restated Certificate of Incorporation, as amended.

10. NO REISSUANCE OF SERIES F CONVERTIBLE PREFERRED STOCK. Shares of Series F Convertible Preferred Stock which are converted into shares of Common Stock as provided herein shall not be reissued.

11. ISSUE TAX. The issuance of certificates for shares of Common Stock upon conversion of Series F Convertible Preferred Stock shall be made without charge to the holder for any United States issuance tax in respect thereof, provided that the Corporation shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than that of the holder of the Series F Convertible Preferred Stock which is being converted.

12. CLOSING OF BOOKS. The Corporation will at no time close its transfer books against the transfer of any Series F Convertible Preferred Stock or of any shares of Common Stock issued or issuable upon the conversion of any shares of Series F Convertible Preferred Stock in any

manner which interferes with the timely conversion of such Series F Convertible Preferred Stock, except as may otherwise be required to comply with applicable securities laws.

13. DEFINITIONS. As used in this Certificate of Designations, the term "Common Stock" shall mean and include the Corporation's authorized Common Stock, \$0.01 par value, as constituted on the date of filing of this Certificate of Designations authorizing the issuance of the Series F Convertible Preferred Stock, and shall also include any capital stock of any class of the Corporation thereafter authorized which shall neither be limited to a fixed sum or percentage of par value in respect of the rights of the holders thereof to participate in dividends nor entitled to a preference in the distribution of assets upon the voluntary or involuntary liquidation, dissolution or winding up of the Corporation; provided that the shares of Common Stock receivable upon conversion of shares of Series F Convertible Preferred Stock shall include only shares designated as Common Stock of the Corporation on the date of filing of this instrument, or in case of any reorganization, reclassification, or stock split of the outstanding shares thereof, the stock, securities or assets provided for in Subparagraph 5(f) and (g). Any capitalized terms used in this Certificate of Designations but not defined herein shall have the meanings set forth in that certain Preferred Stock Purchase Agreement among the Corporation and the other persons signatory thereto relating to the issuance and sale of the Series F Convertible Preferred Stock to the holders of the Series F Convertible Preferred Stock on the Original Issuance Date, a copy of which will be provided to any stockholder of the Corporation upon request to the Secretary of the Corporation, without charge.

14. LOSS, THEFT, DESTRUCTION OF PREFERRED STOCK. Upon receipt of evidence satisfactory to the Corporation of the loss, theft, destruction or mutilation of certificates representing shares of Series F Convertible Preferred Stock and, in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation (which shall not include the posting of any bond), or, in the case of any such mutilation, upon surrender and cancellation of the Series F Convertible Preferred Stock certificate, the Corporation shall make, issue and deliver, in lieu of such lost, stolen, destroyed or mutilated certificates for Series F Convertible Preferred Stock, new certificates for Series F Convertible Preferred Stock of like tenor.

15. WHO DEEMED ABSOLUTE OWNER. The Corporation may deem the person in whose name the Series F Convertible Preferred Stock shall be registered upon the registry books of the Corporation to be, and may treat it as, the absolute owner of the Series F Convertible Preferred Stock for the purpose of conversion of the Series F Convertible Preferred Stock and for all other purposes, and the Corporation shall not be affected by any notice to the contrary. All such payments and such conversion shall be valid and effectual to satisfy and discharge the liability upon the Series F Convertible Preferred Stock to the extent of the sum or sums so paid or the conversion so made.

16. REGISTER. The Corporation shall keep at its principal office a register in which the Corporation shall provide for the registration of the Series F Convertible Preferred Stock. Upon any transfer of the Series F Convertible Preferred Stock in accordance with the provisions hereof, the Corporation shall register such transfer on the Series F Convertible Preferred Stock register.

17. WITHHOLDING. To the extent required by applicable law, the Corporation may withhold amounts for or on account of any taxes imposed or levied by or on behalf of any taxing authority in the United States having jurisdiction over the Corporation from any payments made pursuant to the Series F Convertible Preferred Stock.

NEITHER THIS WARRANT NOR THE SHARES ISSUABLE UPON EXERCISE HEREOF MAY BE SOLD, PLEDGED, TRANSFERRED OR ASSIGNED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND UNDER APPLICABLE STATE SECURITIES LAWS, OR IN A TRANSACTION WHICH IS EXEMPT FROM REGISTRATION UNDER THE PROVISIONS OF THE SECURITIES ACT AND UNDER PROVISIONS OF APPLICABLE STATE SECURITIES LAWS; AND IN THE CASE OF AN EXEMPTION, ONLY IF THE COMPANY HAS RECEIVED AN OPINION OF COUNSEL THAT SUCH TRANSACTION DOES NOT REQUIRE REGISTRATION OF THE WARRANT OR SUCH SHARES, WHICH OPINION AND WHICH COUNSEL SHALL BE SATISFACTORY TO THE COMPANY IN ITS SOLE DISCRETION.

STOCK PURCHASE WARRANT

To Purchase _____ Shares of Common Stock of

INTEGRATED SURGICAL SYSTEMS, INC.

THIS CERTIFIES that, for value received, _____ (the "Holder"), is entitled, upon the terms and subject to the conditions hereinafter set forth, at any time on or after August __, 2000 and on or prior to February __, 2005 (the "Termination Date") but not thereafter, to subscribe for and purchase from INTEGRATED SURGICAL SYSTEMS, INC., a corporation incorporated in Delaware (the "Company"), _____ (_____) shares (the "Warrant Shares") of Common Stock, par value US \$0.01 per share of the Company (the "Common Stock"). The purchase price of one share of Common Stock (the "Exercise Price") under this Warrant shall be \$____ per share [the closing market price of a share of Common Stock on the Nasdaq SmallCap Market on the Closing Date]. The Exercise Price and the number of shares for which the Warrant is exercisable shall be subject to adjustment as provided herein. This Warrant is being issued in connection with the Agreement and is subject to its terms and conditions. In the event of any conflict between the terms of this Warrant and the Agreement, the Agreement shall control.

1. Title of Warrant. Prior to the expiration hereof and subject to compliance with applicable laws, this Warrant and all rights hereunder are transferable, in whole or in part, at the office or agency of the Company by the holder hereof in person or by duly authorized attorney, upon surrender of this Warrant together with the Assignment Form annexed hereto properly endorsed.

2. Authorization of Shares. The Company covenants that all shares of Common Stock which may be issued upon the exercise of rights represented by this Warrant will, upon exercise of the rights represented by this Warrant, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

3. Exercise of Warrant. (a) Except as provided in Section 4 herein, exercise of the purchase rights represented by this Warrant may be made at any time or times, before the close of business on the Termination Date, or such earlier date on which this Warrant may terminate as provided in this Warrant, by the surrender of this Warrant and the Notice of Exercise Form annexed hereto duly executed, at the office of the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered holder hereof at the address of such holder appearing on the books of the Company) and upon payment of the Exercise Price of the shares thereby purchased by cash, check or bank draft payable to the Company or by wire transfer or cashier's check drawn on a United States bank; whereupon the holder of this Warrant shall be entitled to receive a certificate for the number of shares of Common Stock so purchased. Certificates for shares purchased hereunder shall be delivered to the holder hereof within three (3) business days after the date on which this Warrant shall have been exercised as aforesaid. Payment of the Exercise Price of the shares may be by certified check or cashier's check or by wire transfer to an account designated by the Company in an amount equal to the Exercise Price multiplied by the number of Warrant Shares. This Warrant shall be deemed to have been exercised and such certificate or certificates shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised by payment to the Company of the Warrant purchase price and all taxes required to be paid by Holder, if any, pursuant to Section 5 prior to the issuance of such shares have been paid. If this Warrant shall have been exercised in part, the Company shall, at the time of delivery of the certificate or certificates representing Warrant Shares, deliver to Holder a new Warrant evidencing the rights of Holder to purchase the unpurchased shares of Common Stock called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

(b) Notwithstanding anything to the contrary contained herein, if the issuance of the number of shares of Common Stock upon the exercise of this Warrant, when added to the number of shares of Common Stock previously issued by the Company upon conversion of shares of the Company's Series F Convertible Preferred Stock and upon exercise of this Warrant and the other warrants issued in connection with the sale of shares of Series F Convertible Preferred Stock, would result in the issuance of more than 19.9% of the number of shares of Common Stock which were issued and outstanding on the date upon which the Series F Convertible Preferred Stock was

originally issued (the "Nasdaq Limit"), then the Holder may exercise this Warrant only as to a number of shares of Common Stock that is not in excess of the Nasdaq Limit, unless prior to such exercise, the Company shall have obtained the approval of its voting stockholders to such issuance, if required in accordance with the rules of the Nasdaq Stock Market, Inc. or any securities exchange upon which the Common Stock is listed. To the extent the number of shares of Common Stock issuable upon exercise of this Warrant would but for the limitation set forth in this paragraph exceed the Nasdaq Limit, the Company shall pay the Holder an amount in cash equal to the product of the closing sale price of a share of Common Stock on the Trading Date immediately preceding of the date of the Notice of Exercise and the number of shares of Common Stock in excess of the Nasdaq Limit set forth in the Notice of Exercise that would have been issued to the Holder upon such exercise but for such limitation.

(c) The Holder shall be entitled to exercise the Warrant notwithstanding the commencement of any case under 11 U.S.C. Section 101 et seq. (the "Bankruptcy Code"). In the event the Company is a debtor under the Bankruptcy Code, the Company hereby waives to the fullest extent permitted any rights to relief it may have under 11 U.S.C. Section 362 in respect of the Holder's exercise right. The Company hereby waives to the fullest extent permitted any rights to relief it may have under 11 U.S.C. Section 362 in respect of the exercise of the Warrant. The Company agrees, without cost or expense to the Holder, to take or consent to any and all action necessary to effectuate relief under 11 U.S.C. Section 362.

(d) If a registration statement for the resale of the Warrant Shares that may be acquired upon exercise of this Warrant is not in effect at any time from and after one year from the issuance date of this Warrant, then the Holder shall have the right to a "cashless exercise" in which the Holder shall be entitled to receive a certificate for the number of shares equal to the quotient obtained by dividing $[(A-B) (X)]$ by (A), where:

(A) = the closing bid price per share of Common Stock on the Trading Day preceding the date of such election;

(B) = the Exercise Price of this Warrant; and

(X) = the number of shares that may be acquired upon exercise of this Warrant in accordance with the terms of this Warrant.

4. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which Holder would otherwise be entitled to purchase upon such exercise, the Company shall pay a cash adjustment in respect of such final fraction in an amount equal to the same fraction of the Market Price per share of Common Stock as of the Closing Date.

5. Charges, Taxes and Expenses. Issuance of certificates for shares of Common Stock upon the exercise of this Warrant shall be made without charge to the holder hereof for any issue or

transfer tax or other incidental expense in respect of the issuance of such certificate, all of which taxes and expenses shall be paid by the Company, and such certificates shall be issued in the name of the holder of this Warrant or in such name or names as may be directed by the holder of this Warrant; provided, however, that in the event certificates for shares of Common Stock are to be issued in a name other than the name of the holder of this Warrant, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the holder hereof; and provided further, that upon any transfer involved in the issuance or delivery of any certificates for shares of Common Stock, the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto.

6. Closing of Books. The Company will not close its shareholder books or records in any manner which prevents the timely exercise of this Warrant.

7. Transfer, Division and Combination. (a) Subject to compliance with any applicable securities laws, transfer of this Warrant and all rights hereunder, in whole or in part, shall be registered on the books of the Company to be maintained for such purpose, upon surrender of this Warrant at the principal office of the Company, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees and in the denomination specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. A Warrant, if properly assigned, may be exercised by a new Holder for the purchase of shares of Common Stock without having a new Warrant issued.

(b) This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by Holder or its agent or attorney. Subject to compliance with Section 7(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice.

(c) The Company shall prepare, issue and deliver at its own expense (other than transfer taxes) the new Warrant or Warrants under this Section 7.

(d) The Company agrees to maintain, at its aforesaid office, books for the registration and the registration of transfer of the Warrants.

8. No Rights as Shareholder until Exercise. This Warrant does not entitle the holder hereof to any voting rights or other rights as a shareholder of the Company prior to the exercise thereof. Upon the surrender of this Warrant and the payment of the aggregate Exercise Price, the

Warrant Shares so purchased shall be and be deemed to be issued to such holder as the record owner of such shares as of the close of business on the later of the date of such surrender or payment.

9. Loss, Theft, Destruction or Mutilation of Warrant. The Company represents and warrants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant certificate or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it, and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

10. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall be a Saturday, Sunday or a legal holiday, then such action may be taken or such right may be exercised on the next succeeding day not a Saturday, Sunday or legal holiday.

11. (a) Adjustments of Exercise Price and Number of Warrant Shares. The number and kind of securities purchasable upon the exercise of this Warrant and the Exercise Price shall be subject to adjustment from time to time upon the happening of any of the following. In case the Company shall (i) declare or pay a dividend in shares of Common Stock or make a distribution in shares of Common Stock to holders of its outstanding Common Stock, (ii) subdivide its outstanding shares of Common Stock, (iii) combine its outstanding shares of Common Stock into a smaller number of shares of Common Stock or (iv) issue any shares of its capital stock in a reclassification of the Common Stock, then the number of Warrant Shares purchasable upon exercise of this Warrant immediately prior thereto shall be adjusted so that the holder of this Warrant shall be entitled to receive the kind and number of Warrant Shares or other securities of the Company which he would have owned or have been entitled to receive had such Warrant been exercised in advance thereof. Upon each such adjustment of the kind and number of Warrant Shares or other securities of the Company which are purchasable hereunder, the holder of this warrant shall thereafter be entitled to purchase the number of Warrant Shares or other securities resulting from such adjustment at an Exercise Price per such Warrant Share or other security obtained by multiplying the Exercise Price in effect immediately prior to such adjustment by the number of Warrant Shares purchasable pursuant hereto immediately prior to such adjustment and dividing by the number of Warrant Shares or other securities of the Company resulting from such adjustment. An adjustment made pursuant to this paragraph shall become effective immediately after the effective date of such event retroactive to the record date, if any, for such event.

(b) Reorganization, Reclassification, Merger, Consolidation or Disposition of Assets. In case the Company shall reorganize its capital, reclassify its capital stock, consolidate or merge with or into another corporation (where the Company is not the surviving corporation or where there is a change in or distribution with respect to the Common Stock of the Company), or sell, transfer or otherwise dispose of all or substantially all its property, assets or business to another corporation and, pursuant to the terms of such reorganization, reclassification, merger, consolidation

or disposition of assets, shares of common stock of the successor or acquiring corporation, or any cash, shares of stock or other securities or property of any nature whatsoever (including warrants or other subscription or purchase rights) in addition to or in lieu of common stock of the successor or acquiring corporation ("Other Property"), are to be received by or distributed to the holders of Common Stock of the Company, then Holder shall have the right thereafter to receive, upon exercise of the Warrant, the number of shares of common stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and Other Property receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event. In case of any such reorganization, reclassification, merger, consolidation or disposition of assets, the successor or acquiring corporation (if other than the Company) shall expressly assume the due and punctual observance and performance of each and every covenant and condition of this Warrant to be performed and observed by the Company and all the obligations and liabilities hereunder, subject to such modifications as may be deemed appropriate (as determined by resolution of the Board of Directors of the Company) in order to provide for adjustments of shares of Common Stock for which this Warrant is exercisable which shall be as nearly equivalent as practicable to the adjustments provided for in this Section 11. For purposes of this Section 11, "common stock of the successor or acquiring corporation" shall include stock of such corporation of any class which is not preferred as to dividends or assets over any other class of stock of such corporation and which is not subject to redemption and shall also include any evidences of indebtedness, shares of stock or other securities which are convertible into or exchangeable for any such stock, either immediately or upon the arrival of a specified date or the happening of a specified event and any warrants or other rights to subscribe for or purchase any such stock. The foregoing provisions of this Section 11 shall similarly apply to successive reorganizations, reclassifications, mergers, consolidations or disposition of assets.

(c) Certain Limitations. Notwithstanding anything herein to the contrary, the Company agrees not to enter into any transaction which, by reason of any adjustment hereunder, would cause the Exercise Price to be less than the par value per share of Common Stock.

12. Voluntary Adjustment by the Company. The Company may at any time during the term of this Warrant, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the Board of Directors of the Company.

13. Notice of Adjustment. Whenever the number of Warrant Shares or number or kind of securities or other property purchasable upon the exercise of this Warrant or the Exercise Price is adjusted, as herein provided, the Company shall promptly mail by registered or certified mail, return receipt requested, to the holder of this Warrant notice of such adjustment or adjustments setting forth the number of Warrant Shares (and other securities or property) purchasable upon the exercise of this Warrant and the Exercise Price of such Warrant Shares (and other securities or property) after such adjustment, setting forth a brief statement of the facts requiring such adjustment and setting forth the computation by which such adjustment was made. Such notice, in absence of manifest error, shall be conclusive evidence of the correctness of such adjustment.

14. Notice of Corporate Action. If at any time

(a) the Company shall take a record of the holders of its Common Stock for the purpose of entitling them to receive a dividend or other distribution, or any right to subscribe for or purchase any evidences of its indebtedness, any shares of stock of any class or any other securities or property, or to receive any other right, or

(b) there shall be any capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company or any consolidation or merger of the Company with, or any sale, transfer or other disposition of all or substantially all the property, assets or business of the Company to, another corporation or,

(c) there shall be a voluntary or involuntary dissolution, liquidation or winding up of the Company;

then, in any one or more of such cases, the Company shall give to Holder (i) at least 30 days' prior written notice of the date on which a record date shall be selected for such dividend, distribution or right or for determining rights to vote in respect of any such reorganization, reclassification, merger, consolidation, sale, transfer, disposition, liquidation or winding up, and (ii) in the case of any such reorganization, reclassification, merger, consolidation, sale, transfer, disposition, dissolution, liquidation or winding up, at least 30 days' prior written notice of the date when the same shall take place. Such notice in accordance with the foregoing clause also shall specify (i) the date on which any such record is to be taken for the purpose of such dividend, distribution or right, the date on which the holders of Common Stock shall be entitled to any such dividend, distribution or right, and the amount and character thereof, and (ii) the date on which any such reorganization, reclassification, merger, consolidation, sale, transfer, disposition, dissolution, liquidation or winding up is to take place and the time, if any such time is to be fixed, as of which the holders of Common Stock shall be entitled to exchange their shares of Common Stock for securities or other property deliverable upon such disposition, dissolution, liquidation or winding up. Each such written notice shall be sufficiently given if addressed to Holder at the last address of Holder appearing on the books of the Company and delivered in accordance with Section 17(d).

15. Authorized Shares. The Company covenants that during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for the Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of NASDAQ or any domestic securities exchange upon which the Common Stock may be listed.

The Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder against impairment. Without limiting the generality of the foregoing, the Company will (a) not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the amount payable therefor upon such exercise immediately prior to such increase in par value, (b) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, and (c) use its best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Company to perform its obligations under this Warrant.

Upon the request of Holder, the Company will at any time during the period this Warrant is outstanding acknowledge in writing, in form reasonably satisfactory to Holder, the continuing validity of this Warrant and the obligations of the Company hereunder.

Before taking any action which would cause an adjustment reducing the current Exercise Price below the then par value, if any, of the shares of Common Stock issuable upon exercise of the Warrants, the Company shall take any corporate action which may be necessary in order that the Company may validly and legally issue fully paid and non-assessable shares of such Common Stock at such adjusted Exercise Price.

Before taking any action which would result in an adjustment in the number of shares of Common Stock for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

16. Required Registration. Pursuant to the terms and conditions set forth in the Registration Rights Agreement entered into between the Company and the Holders as of the date of issuance of this Warrant, the Company shall prepare and file with the Commission not later than the 45th day after the Closing Date, a Registration Statement relating to the offer and sale of the Common Stock issuable upon exercise of the Warrants and shall use its best efforts to cause the Commission to declare such Registration Statement effective under the Securities Act as promptly as practicable but no later than 90 days after the closing date.

17. Miscellaneous.

(a) Issue Date; Jurisdiction. The provisions of this Warrant shall be construed and shall be given effect in all respects as if it had been issued and delivered by the Company on the date hereof. This Warrant shall be binding upon any successors or assigns of the Company. This

Warrant shall constitute a contract under the laws of New York without regard to its conflict of law, principles or rules, and be subject to arbitration pursuant to the terms set forth in the Agreement.

(b) Restrictions. The holder hereof acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, will have restrictions upon resale imposed by state and federal securities laws.

(c) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice Holder's rights, powers or remedies, notwithstanding all rights hereunder terminate on the Termination Date. If the Company fails to make, when due, any payments provided for hereunder, or fails to comply with any other provision of this Warrant, the Company shall pay to Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

(d) Notices. Any notice, request or other document required or permitted to be given or delivered to the holder hereof by the Company shall be delivered in accordance with the notice provisions of the Agreement.

(e) Limitation of Liability. No provision hereof, in the absence of affirmative action by Holder to purchase shares of Common Stock, and no enumeration herein of the rights or privileges of Holder hereof, shall give rise to any liability of Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

(f) Remedies. Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

(g) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights evidenced hereby shall inure to the benefit of and be binding upon the successors of the Company and the successors and assigns of Holder. The provisions of this Warrant are intended to be for the benefit of all Holders from time to time of this Warrant and shall be enforceable by any such Holder or holder of Warrant Stock.

(h) Cooperation. The Company shall cooperate with Holder in supplying such information as may be reasonably necessary for Holder to complete and file any information reporting forms presently or hereafter required by the Commission as a condition to the availability of an exemption from the Securities Act for the sale of any Warrant or Restricted Common Stock.

(i) Indemnification. The Company agrees to indemnify and hold harmless Holder from and against any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, attorneys' fees, expenses and disbursements of any kind which may be imposed upon, incurred by or asserted against Holder in any manner relating to or arising out of any failure by the Company to perform or observe in any material respect any of its covenants, agreements, undertakings or obligations set forth in this Warrant; provided, however, that the Company will not be liable hereunder to the extent that any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, attorneys' fees, expenses or disbursements are found in a final non-appealable judgment by a court to have resulted from Holder's negligence, bad faith or willful misconduct in its capacity as a stockholder or warrant holder of the Company.

(j) Amendment. This Warrant and all other Warrants may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

(k) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

(l) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

IN WITNESS WHEREOF, the Company has caused this Warrant to be executed by its officer thereunto duly authorized.

REGISTRATION RIGHTS AGREEMENT

THIS REGISTRATION RIGHTS AGREEMENT, dated as of the 8th day of February, 2000, between INTEGRATED SURGICAL SYSTEMS, INC., a corporation incorporated under the laws of the State of Delaware, and having its principal place of business at 1850 Research Park Drive, Davis, California 95616-4884 (the "Company") and the person signatory hereto (the "Holder").

WHEREAS, simultaneously with the execution and delivery of this Agreement, the Holder is purchasing from the Company, pursuant to a Preferred Stock Purchase Agreement dated the date hereof (the "Purchase Agreement"), _____ shares of Series F Convertible Preferred Stock, \$0.01 par value and a Warrant to purchase _____ shares of the Company's Common Stock (terms not defined herein shall have the meanings ascribed to them in the Purchase Agreement); and

WHEREAS, the Company desires to grant to the Holder the registration rights set forth herein with respect to the shares of Common Stock issuable upon conversion of the Series E Convertible Preferred Stock and shares of Common Stock underlying the Warrant (hereinafter referred to as the "Stock" or "Securities" of the Company).

NOW, THEREFORE, the parties hereto mutually agree as follows:

Section 1. Registrable Securities. As used herein the term "Registrable Security" means the Securities; provided, however, that with respect to any particular Registrable Security, such security shall cease to be a Registrable Security when, as of the date of determination, (i) it has been effectively registered under the Securities Act of 1933, as amended (the "1933 Act") and disposed of pursuant thereto, (ii) registration under the 1933 Act is no longer required for the immediate public distribution of such security without limitation as to volume as a result of the provisions of Rule 144 promulgated under the 1933 Act, or (iii) it has ceased to be outstanding. The term "Registrable Securities" means any and/or all of the securities falling within the foregoing definition of a "Registrable Security." In the event of any merger, reorganization, consolidation, recapitalization or other change in corporate structure affecting the Common Stock, such adjustment shall be deemed to be made in the definition of "Registrable Security" as is appropriate in order to prevent any dilution or enlargement of the rights granted pursuant to this Agreement.

Section 2. Restrictions on Transfer. The Holder acknowledges and understands that prior to the registration of the Securities as provided herein, the Securities are "restricted securities" as defined in Rule 144 promulgated under the Act. The Holder understands that no disposition or transfer of the Securities may be made by Holder in the absence of (i) an opinion of counsel to the Holder that such transfer may be made without registration under the 1933 Act or (ii) such registration.

With a view to making available to the Holder the benefits of Rule 144 under the Securities Act or any other similar rule or regulation of the Commission that may at any time permit the Holder to sell securities of the Company to the public without registration ("Rule 144"), the Company agrees to:

(a) comply with the provisions of paragraph (c)(1) of Rule 144; and

(b) file with the Commission in a timely manner all reports and other documents required to be filed by the Company pursuant to Section 13 or 15(d) under the Exchange Act; and, if at any time it is not required to file such reports but in the past had been required to or did file such reports, it will, upon the request of any Holder, make available other information as required by, and so long as necessary to permit sales of, its Registrable Securities pursuant to Rule 144.

Section 3. Registration Rights.

(a) The Company agrees that it will prepare and file with the Securities and Exchange Commission ("Commission"), within 45 days after the date hereof, a registration statement on Form S-3 (or other appropriate form of registration statement) under the 1933 Act (the "Registration Statement"), at the sole expense of the Company (except as provided in Section 3(c) hereof), in respect of all holders of Registrable Securities, so as to permit a public offering and resale of the Registrable Securities under the Act.

The Company shall use its best efforts to cause the Registration Statement to become effective, not later than 90 days after the date hereof, or if the Commission notifies the Company that it will not review the Registration Statement, not later than ten business days thereafter. The number of shares designated in the Registration Statement to be registered shall include all the Warrant Shares and the number of shares of Common Stock which would be issued assuming a Market Price of \$1.00 per share of Common Stock, and shall include appropriate language regarding reliance upon Rule 416 to the extent permitted by the Commission. The Company will notify Holder of the effectiveness of the Registration Statement within one business day of such event. The number of Registrable Securities that the Holder may sell under the Registration Statement may not exceed that number of shares of Common Stock which the Selling Securityholder section of the Registration Statement states are to be offered by the Holder.

(b) The Company will maintain the Registration Statement or post-effective amendment filed under this Section 3 hereof current under the 1933 Act until the earlier of (i) the date that all of the Registrable Securities have been sold pursuant to the Registration Statement, (ii) the date the holders thereof receive an opinion of counsel to the Company, which counsel shall be reasonably acceptable to the Holder, that all Registrable Securities may be sold under the provisions of Rule 144 without limitation as to volume, (iii) all Registrable Securities have been otherwise transferred to Holders who may trade such shares without restriction under the Securities Act, and the Company has delivered a new certificate or other evidence of ownership for such securities not bearing a restrictive legend, or (iv) all Registrable Securities may be sold without any time, volume or manner limitations pursuant to Rule 144(k) or any similar provision then in effect under the

Securities Act in the opinion of counsel to the Company, which counsel shall be reasonably acceptable to the Holder.

(c) All fees, disbursements and out-of-pocket expenses and costs incurred by the Company in connection with the preparation and filing of the Registration Statement under subparagraph 3(a) and in complying with applicable securities and Blue Sky laws (including, without limitation, all attorneys' fees) shall be borne by the Company. The Holder shall bear the cost of underwriting discounts and commissions, if any, applicable to the Registrable Securities being registered and the fees and expenses of its counsel. The Holder and its counsel shall have a reasonable period, not to exceed three (3) business days, to review the proposed Registration Statement or any amendment thereto, prior to filing with the Commission, and the Company shall provide each Holder with copies of any comment letters received from the Commission with respect thereto. The Company shall make reasonably available for inspection by Holder, any underwriter participating in any disposition pursuant to the Registration Statement, and any attorney, accountant or other agent retained by such Holder or any such underwriter all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and cause the Company's officers, directors and employees to supply all information reasonably requested by such Holder or any such underwriter, attorney, accountant or agent in connection with the Registration Statement, in each case, as is customary for similar due diligence examinations; provided, however, that all records, information and documents that are designated in writing by the Company, in good faith, as confidential, proprietary or containing any material non-public information shall be kept confidential by such Holder and any such underwriter, attorney, accountant or agent (pursuant to an appropriate confidentiality agreement in the case of any such Holder or agent), unless such disclosure is made pursuant to judicial process in a court proceeding (after first giving the Company an opportunity promptly to seek a protective order or otherwise limit the scope of the information sought to be disclosed) or is required by law, or such records, information or documents become available to the public generally or through a third party not in violation of an accompanying obligation of confidentiality; and provided further that, if the foregoing inspection and information gathering would otherwise disrupt the Company's conduct of its business, such inspection and information gathering shall, to the maximum extent possible, be coordinated on behalf of the Holder and the other parties entitled thereto by one firm of counsel designed by and on behalf of the majority in interest of Holder and other parties. The Company shall qualify any of the securities for sale in such states as such Holder reasonably designates and shall furnish indemnification in the manner provided in Section 6 hereof. However, the Company shall not be required to qualify in any state which will require an escrow or other restriction relating to the Company and/or the sellers. The Company at its expense will supply the Holder with copies of the Registration Statement and the prospectus or offering circular included therein and other related documents in such quantities as may be reasonably requested by the Holder.

(d) The Company shall not be required by this Section 3 to include a Holder's Registrable Securities in any Registration Statement which is to be filed if, in the opinion of counsel for both the Holder and the Company (or, should they not agree, in the opinion of another counsel experienced in securities law matters acceptable to counsel for the Holder and the Company) the proposed offering or other transfer as to which such registration is requested is exempt from

applicable federal and state securities laws and would result in all purchasers or transferees obtaining securities which are not "restricted securities", as defined in Rule 144 under the 1933 Act.

(e) In the event that (i) the Registration Statement to be filed by the Company pursuant to Section 3(a) above is not filed with the Commission within 45 days after the date hereof, or the Registration Statement is not declared effective by the Commission not later than 90 days after the date hereof, or if the Commission notifies the Company that it will not review the Registration Statement and the Registration Statement is not declared effective not later than ten (10) business days thereafter, (ii) the Registration Statement is not maintained as effective by the Company for the period set forth in Section 3(b) above or (iii) an amendment to the Registration Statement was not filed by the Company with the Commission and declared effective by the Commission on a timely basis to include any additional number of Registrable Securities as described in Section 3(i), if necessary, then the Company will pay Holder (pro rated on a daily basis), as liquidated damages for such failure and not as a penalty, two (2%) percent of the purchase price of the then outstanding shares of Preferred Stock for the first thirty (30) days, and in the event of late filing, three percent (3%) percent of the purchase price of the outstanding shares of Preferred Stock for every thirty (30) day period thereafter until the Registration Statement has been filed and in the event of late effectiveness, one percent (1%) of the purchase price of the outstanding shares of Preferred Stock for every thirty (30) day period thereafter until the Registration Statement has been declared effective. Such payment of the liquidated damages shall be made to the Holder in cash, immediately upon demand, provided, however, that the payment of such liquidated damages shall not relieve the Company from its obligations to register the Registrable Securities pursuant to this Section.

Notwithstanding the above, if the Registration Statement covering the Additional Registrable Securities (as defined in Section 3(i) hereof) required to be filed by the Company pursuant to Section 3(i) hereof is not filed with the Commission within 45 days after the Market Price declines to \$1.00 or less for five consecutive Trading Days, the Company shall be in default of this Registration Rights Agreement and the liquidated damages provisions of the foregoing paragraph shall apply.

If the Company does not remit the damages to the Holder as set forth above, the Company will pay the Holder reasonable costs of collection, including attorneys fees, in addition to the liquidated damages. The registration of the Securities pursuant to this provision shall not affect or limit Holder's other rights or remedies as set forth in this Agreement.

(f) No provision contained herein shall preclude the Company from selling securities pursuant to any Registration Statement in which it is required to include Registrable Securities pursuant to this Section 3.

(g) If at any time or from time to time after the effective date of the Registration Statement, the Company notifies the Holder in writing of the existence of a Potential Material Event (as defined in Section 3(h) below), the Holder shall not offer or sell any Registrable Securities or engage in any other transaction involving or relating to Registrable Securities, from the time of the giving of notice with respect to a Potential Material Event until such Holder receives written notice

from the Company that such Potential Material Event either has been disclosed to the public or no longer constitutes a Potential Material Event; provided, however, that the Company may not so suspend the right to such holders of Securities for more than twenty (20) days in the aggregate during any twelve month period, during the periods the Registration Statement is required to be in effect. If a Potential Material Event shall occur prior to the date the Registration Statement is filed, then the Company's obligation to file the Registration Statement shall be delayed without penalty for not more than twenty (20) days. The Company must give Holder notice in writing at least two (2) business days prior to the first day of the blackout period.

(h) "Potential Material Event" means any of the following: (a) the possession by the Company of material information not ripe for disclosure in a registration statement, which shall be evidenced by determinations in good faith by the Chief Executive Officer or the Board of Directors of the Company that disclosure of such information in the Registration Statement would be detrimental to the business and affairs of the Company; or (b) any material engagement or activity by the Company which would, in the good faith determination of the Chief Executive Officer or the Board of Directors of the Company, be adversely affected by disclosure in a registration statement at such time, which determination shall be accompanied by a good faith determination by the Chief Executive Officer or the Board of Directors of the Company that the Registration Statement would be materially misleading absent the inclusion of such information.

(i) In the event the Market Price declines to \$1.00 or less for five consecutive Trading Days (the "Decline Date"), the Company shall, to the extent required by the Securities Act (because the additional shares were not covered by the Registration Statement filed pursuant to Section 3(a)), file an additional Registration Statement with the Commission for such additional number of Registrable Securities issuable upon conversion of the Preferred Stock (the "Additional Registrable Securities"), in addition to those previously registered, as would be necessary to satisfy conversions of the then outstanding shares of Preferred Stock based upon the then prevailing market price of the Common Stock. The Company shall prepare and file with the Commission not later than the 30th day after the Decline Date, a registration statement relating to the offer and sale of such Additional Registrable Securities (the "Additional Registration Statement") and shall use its best efforts to cause the Commission to declare such Additional Registration Statement effective under the Securities Act as promptly as practicable but not later than 60 days thereafter. If the Additional Registration Statement is not (i) filed with the Commission by the 30th day after the Decline Date or (ii) declared effective by the Commission within 90 days after the Decline Date (either of which, without duplication, an "Additional Registration Date"), then the Company shall make payments to the Holder as set forth in Section 3(e) hereof, for late filing or effectiveness, as the case may be, relating to the Additional Securities.

Section 4. Cooperation with Company. Holder will cooperate with the Company in all respects in connection with this Agreement, including timely supplying all information reasonably requested by the Company and executing and returning all documents reasonably requested in connection with the registration and sale of the Registrable Securities and entering into and performing its obligations under any underwriting agreement, if the offering is an underwritten

offering, in usual and customary form, with the managing underwriter or underwriters of such underwritten offering.

Section 5. Registration Procedures. If and whenever the Company is required by any of the provisions of this Agreement to effect the registration of any of the Registrable Securities under the Act, the Company shall (except as otherwise provided in this Agreement), as expeditiously as possible:

(a)(i) prepare and file with the Commission such amendments and supplements to the Registration Statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and to comply with the provisions of the Act with respect to the sale or other disposition of all securities covered by such registration statement whenever the Holder of such securities shall desire to sell or otherwise dispose of the same (including prospectus supplements with respect to the sales of securities from time to time in connection with a registration statement pursuant to Rule 415 promulgated under the Act) and (ii) take all lawful action such that each of (A) the Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, not misleading and (B) the Prospectus forming part of the Registration Statement, and any amendment or supplement thereto, does not at any time during the Registration Period include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b)(i) prior to the filing with the Commission of any Registration Statement (including any amendments thereto) and the distribution or delivery of any prospectus (including any supplements thereto), provide draft copies thereof to the Holders and reflect in such documents all such comments as the Holders (and their counsel) reasonably may propose respecting the Selling Shareholders and Plan of Distribution sections (or equivalents) and (ii) furnish to each Holder such numbers of copies of a prospectus including a preliminary prospectus or any amendment or supplement to any prospectus, in conformity with the requirements of the Act, and such other documents, as such Holder may reasonably request in order to facilitate the public sale or other disposition of the securities owned by such Holder;

(c) register and qualify the securities covered by the Registration Statement under such other securities or blue sky laws of such jurisdictions as the Holder shall reasonably request (subject to the limitations set forth in Section 3(d) above), and do any and all other acts and things which may be necessary or advisable to enable each Holder to consummate the public sale or other disposition in such jurisdiction of the securities owned by such Holder, except that the Company shall not for any such purpose be required to qualify to do business as a foreign corporation in any jurisdiction wherein it is not so qualified or to file therein any general consent to service of process;

(d) list such securities on The Nasdaq SmallCap Market or other national securities exchange on which any securities of the Company are then listed, if the listing of such securities is then permitted under the rules of such exchange or Nasdaq;

(e) enter into and perform its obligations under an underwriting agreement, if the offering is an underwritten offering, in usual and customary form, with the managing underwriter or underwriters of such underwritten offering, including, but not limited to, the following:

(i) making such representations and warranties to the Holder participating in such underwritten offering and to the managers, in form, substance and scope as are customarily made by the Company to underwriters in secondary underwritten offerings;

(ii) obtaining opinions of counsel to the Company (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managers) addressed to the underwriters, covering such matters as are customarily covered in opinions requested in secondary underwritten offerings (it being agreed that the matters to be covered by such opinions shall include, without limitation, as of the date of the opinion and as of the Effective Time of the Registration Statement or most recent post-effective amendment thereto, as the case may be, the absence from the Registration Statement and the Prospectus, including any documents incorporated by reference therein, of an untrue statement of a material fact or the omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading, subject to customary limitations);

(iii) obtaining "cold comfort" letters and updates thereof from the independent public accountants of the Company (and, if necessary, from the independent public accountants of any subsidiary of the Company or of any business acquired by the Company, in each case for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to each underwriter participating in such underwritten offering (if such underwriter has provided such letter, representations or documentation, if any, required for such cold comfort letter to be so addressed), in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with secondary underwritten offerings; and

(iv) delivering such documents and certificates as may be reasonably required by the managers, if any;

(f) notify each Holder of Registrable Securities covered by the Registration Statement, at any time when a prospectus relating thereto covered by the Registration Statement is required to be delivered under the Act, of the happening of any event of which it has knowledge as a result of which the prospectus included in the Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and the Company shall prepare and file a curative amendment under Section 5(a) as quickly as commercially possible;

(g) as promptly as practicable after becoming aware of such event, notify each Holder who holds Registrable Securities being sold (or, in the event of an underwritten offering, the managing underwriters) of the issuance by the Commission of any stop order or other suspension

of the effectiveness of the Registration Statement at the earliest possible time and take all lawful action to effect the withdrawal, recession or removal of such stop order or other suspension;

(h) cooperate with the Holders who hold Registrable Securities being offered to facilitate the timely preparation and delivery of certificates for the Registrable Securities to be offered pursuant to the Registration Statement and enable such certificates for the Registrable Securities to be in such denominations or amounts, as the case may be, as the Holders reasonably may request and registered in such names as the Holder may request; and, within three business days after a Registration Statement which includes Registrable Securities is declared effective by the Commission, deliver and cause legal counsel selected by the Company to deliver to the transfer agent for the Registrable Securities (with copies to the Holders whose Registrable Securities are included in such Registration Statement) an appropriate instruction and, to the extent necessary, an opinion of such counsel;

(i) take all such other lawful actions reasonably necessary to expedite and facilitate the disposition by the Holders of their Registrable Securities in accordance with the intended methods therefor provided in the prospectus which are customary under the circumstances;

(j) make generally available to its security holders as soon as practicable, but in any event not later than 18 months after (i) the effective date (as defined in Rule 158(c) under the Securities Act) of the Registration Statement, and (ii) the effective date of each post-effective amendment to the Registration Statement, as the case may be, an earnings statement of the Company and its subsidiaries complying with Section 11(a) of the Securities Act and the rules and regulations of the commission thereunder (including, at the option of the Company, Rule 158);

(k) in the event of an underwritten offering, promptly include or incorporate in a Prospectus supplement or post-effective amendment to the Registration Statement such information as the managers reasonably agree should be included therein and to which the Company does not reasonably object and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after it is notified of the matters to be included or incorporated in such Prospectus supplement or post-effective amendment; and

(l) maintain a transfer agent and registrar for its Common Stock.

Section 6. Indemnification.

(a) The Company agrees to indemnify and hold harmless the Holder and each person, if any, who controls the Holder within the meaning of the 1933 Act ("Distributing Holder") against any losses, claims, damages or liabilities, joint or several (which shall, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees), to which the Distributing Holder may become subject, under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, or any related preliminary prospectus, final prospectus,

offering circular, notification or amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, preliminary prospectus, final prospectus, offering circular, notification or amendment or supplement thereto in reliance upon, and in conformity with, written information furnished to the Company by the Distributing Holder, specifically for use in the preparation thereof. This Section 6(a) shall not inure to the benefit of any Distributing Holder with respect to any person asserting such loss, claim, damage or liability who purchased the Registrable Securities which are the subject thereof if the Distributing Holder failed to send or give (in violation of the 1933 Act or the rules and regulations promulgated thereunder) a copy of the prospectus contained in such Registration Statement to such person at or prior to the written confirmation to such person of the sale of such Registrable Securities, where the Distributing Holder was obligated to do so under the 1933 Act or the rules and regulations promulgated thereunder.

(b) Each Distributing Holder agrees that it will indemnify and hold harmless the Company, and each officer, director of the Company or person, if any, who controls the Company within the meaning of the 1933 Act, against any losses, claims, damages or liabilities (which shall, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees) to which the Company or any such officer, director or controlling person may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof; arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, or any related preliminary prospectus, final prospectus, offering circular, notification or amendment or supplement thereto, or arise out of or are based upon the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but in each case only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, preliminary prospectus, final prospectus, offering circular, notification or amendment or supplement thereto in reliance upon, and in conformity with, written information furnished to the Company by such Distributing Holder, specifically for use in the preparation thereof.

(c) Promptly after receipt by an indemnified party under this Section 6 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 6, notify the indemnifying party of the commencement thereof; but the omission so to notify the indemnifying party will not relieve the indemnifying party from any liability which it may have to any indemnified party except to the extent of actual prejudice demonstrated by the indemnifying party. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate in, and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, assume the defense thereof, subject to the provisions herein stated and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such

indemnified party under this Section 6 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation, unless the indemnifying party shall not pursue the action to its final conclusion. The indemnified party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall not be at the expense of the indemnifying party if the indemnifying party has assumed the defense of the action with counsel reasonably satisfactory to the indemnified party; provided that if the indemnified party is the Distributing Holder, the fees and expenses of such counsel shall be at the expense of the indemnifying party if (i) the employment of such counsel has been specifically authorized in writing by the indemnifying party, or (ii) the named parties to any such action (including any impleaded parties) include both the Distributing Holder and the indemnifying party and the Distributing Holder shall have been advised by such counsel that there may be one or more legal defenses available to the indemnifying party different from or in conflict with any legal defenses which may be available to the Distributing Holder (in which case the indemnifying party shall not have the right to assume the defense of such action on behalf of the Distributing Holder, it being understood, however, that the indemnifying party shall, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable only for the reasonable fees and expenses of one separate firm of attorneys for the Distributing Holder, which firm shall be designated in writing by the Distributing Holder). No settlement of any action against an indemnified party shall be made without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld.

Section 7. Contribution. In order to provide for just and equitable contribution under the 1933 Act in any case in which (i) the indemnified party makes a claim for indemnification pursuant to Section 6 hereof but is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that the express provisions of Section 6 hereof provide for indemnification in such case, or (ii) contribution under the 1933 Act may be required on the part of any indemnified party, then the Company and the applicable Distributing Holder shall contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (which shall, for all purposes of this Agreement, include, but not be limited to, all reasonable costs of defense and investigation and all reasonable attorneys' fees), in either such case (after contribution from others) on the basis of relative fault as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the applicable Distributing Holder on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Distributing Holder agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 7. The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in

connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

The Investors that are signatory to the Preferred Stock Purchase Agreement between the Investors and Integrated Surgical Systems, Inc. dated as of February 8, 2000.

Ladies and Gentlemen:

This opinion is furnished to you pursuant to the Preferred Stock Purchase Agreement by and between Integrated Surgical Systems, Inc., a Delaware corporation (the "Company"), and the Investors that are signatories thereto, dated as of February 8, 2000 (the "Purchase Agreement"), which provides for the issuance and sale by the Company of (i) 2,000 shares of the Series F Convertible Preferred Stock of the Company and (ii) warrants to purchase 125,000 shares of Common Stock of the Company (the "Warrant"). All capitalized terms used but not defined herein shall have the meanings assigned to them in the Purchase Agreement.

We have acted as counsel to the Company in connection with the negotiation of the Purchase Agreement, the Warrant and the Registration Rights Agreement between the Investors and the Company, dated as of February 8, 2000 (the "Registration Rights Agreement", and together with the Purchase Agreement, the "Agreements"). As such counsel, we have made such legal and factual examinations and inquiries as we have deemed advisable or necessary for the purpose of rendering this opinion. In addition, we have examined, among other things, originals or copies of such corporate records of the Company, certificates of public officials and such other documents and questions of law that we consider necessary or advisable for the purpose of rendering this opinion. In such examination we have assumed the genuineness of all signatures on original documents, the authenticity and completeness of all documents submitted to us as originals, the conformity to original documents of all copies submitted to us as copies thereof, the legal capacity of natural persons, and the due execution and delivery of all documents (except as to due execution and delivery by the Company) where due execution and delivery are a prerequisite to the effectiveness thereof. As to the matters of fact, we have relied upon certificates or other written statements of public authorities and certificates or other written statements of officers and directors of the Company. The phrases "to our knowledge" or "known to us" when used herein mean that with respect to the factual matter covered thereby, we have undertaken no independent investigation or verification of such matters, but have relied solely

upon the representations and warranties of the Company contained in the Agreements and have obtained certificates from the officers and directors of the Company as to such factual matters, and nothing has come to the attention of those attorneys in our office who directly participated in this engagement that (x) would give them actual knowledge or actual notice that such representation or warranty is not accurate or complete, or (y) any information set forth in any of the foregoing documents, certificates and information on which they have relied is not accurate or complete. In addition, we have assumed that any certificate of a public authority on which we have relied that was given or dated earlier than the date of this opinion continues to remain accurate, insofar as relevant to such opinion, from such earlier date through and including the date of this opinion.

For purposes of this opinion, we have assumed that each Investor has all requisite power and authority, and has taken any and all necessary corporate action, to execute and deliver the Agreements, and we are assuming that the representations and warranties made by the Investors in the Agreements and pursuant thereto are true and correct.

Based upon and subject to the foregoing, we are of the opinion that:

1. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has all requisite corporate power and authority to carry on its business and to own, lease and operate its properties and assets as described in the Company's SEC Documents. To our knowledge, the Company does not have any subsidiaries and does not own more than fifty percent (50%) of the outstanding capital stock of or control any other business entity other than as disclosed in the SEC Documents. The Company is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the Company owns or leases property, other than those in which the failure so to qualify would not have a Material Adverse Effect.

2. The Company has the requisite corporate power and authority to enter into and perform its obligations under the Agreements and the Warrant and to issue the Preferred Stock, the Conversion Shares, the Warrant and the Warrant Shares. The execution and delivery of the Agreements by the Company and the consummation by it of the transactions contemplated thereby have been duly authorized by all necessary corporate action and no further consent or authorization of the Company or its Board of Directors or stockholders is required, except as may be required under the rules of the Nasdaq Stock Market, Inc., as contemplated by the terms of the Preferred Stock (the "Nasdaq Restriction"). Each of the Agreements has been duly executed and delivered and the Preferred Stock and the Warrant have each been duly executed, issued and delivered by the Company and each of the Agreements and the Warrant constitutes valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application.

3. The execution, delivery and performance of the Agreements by the Company and the consummation by the Company of the transactions contemplated thereby, including, without limitation, the issuance of the Preferred Stock, the Conversion Shares, the Warrant and the Warrant Shares, do not and will not (i) result in a violation of the Company's Certificate of Incorporation or By-Laws; (ii) to our knowledge, conflict with, or constitute a material default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, indenture, instrument or any "lock-up" or similar provision of any underwriting or similar agreement to which the Company is a party; or (iii) result in a violation of any federal or state law, rule or regulation applicable to the Company or by which any property or asset of the Company is bound or affected, except for such violations as would not, individually or in the aggregate, have a Material Adverse Effect. To our knowledge, the Company is not in violation of any terms of its Certificate of Incorporation or Bylaws.

4. The issuance of the Preferred Stock, the Conversion Shares and the Warrant in accordance with the Purchase Agreement, and the issuance of the Warrant Shares in accordance with the Warrant, will be exempt from registration under the Securities Act of 1933, as amended. When so issued, the Preferred Stock, the Conversion Shares and the Warrant Shares will be duly and validly issued, fully paid and nonassessable, and free of any liens, encumbrances and preemptive or similar rights contained in the Company's Certificate of Incorporation or Bylaws or, to our knowledge, in any agreement to which the Company is party.

5. To our knowledge, there are no claims, actions, suits, proceedings or investigations that are pending against the Company or its properties, or against any officer or director of the Company in his or her capacity as such, nor has the Company received any written threat of any such claims, actions, suits, proceedings, or investigations which could reasonably be expected to have a Material Adverse Effect. To our knowledge, the Company is not a party to or subject to the provisions of any order, writ, injunction, judgment or decree of any court or government agency or instrumentality.

6. To our knowledge, there are no outstanding options, warrants, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exchangeable for, or giving any right to subscribe for or acquire any shares of Common Stock or contracts, commitments, understandings, or arrangements by which the Company is or may become bound to issue additional shares of Common Stock, or securities or rights convertible or exchangeable into shares of Common Stock, except as described in the SEC Documents.

7. Subject to compliance with the Nasdaq Restriction if and when the same shall apply, the issuance of the Preferred Stock, the Conversion Shares and the Warrant Shares will not violate the applicable listing agreement between the Company and any securities exchange or market on which the Company's securities are listed.

8. The authorized capital stock of the Company consists of 50,000,000 shares of Common Stock, \$0.01 par value per share, and 1,000,000 shares of Preferred Stock, \$0.01 par value per share, of which 3,520 shares have been properly designated as Series A Convertible Preferred Stock, 1,000 shares have been properly designated as Series B Convertible Preferred Stock, 750 shares have been properly designated as Series C Convertible Preferred Stock, 2,000 shares have been properly designated as Series D Convertible Preferred Stock, 3,000 shares have been properly designated as Series E Convertible Preferred Stock, and 2,000 have been properly designated as Series F Convertible Preferred Stock.

This opinion is limited to the Federal laws of the United States, the laws of the State of New York and the Delaware General Corporation Law. No opinion is expressed with respect to the laws, rules or regulations of any other jurisdiction, whether U.S. or foreign.

This opinion is furnished to the Investors solely for its benefit in connection with the transactions described above and may not be relied upon by any other person or for any other purpose without our prior written consent.

Very truly yours,

SNOW BECKER KRAUSS P.C.

2. MECHANICS OF DELIVERY OF CERTIFICATES REPRESENTING COMMON STOCK

In connection with any conversion of Preferred Stock or exercise of a Warrant pursuant to which the Investor acquires Common Stock under the Agreement, the Transfer Agent shall deliver to the Investor, certificates representing Common Stock (with or without the Legend, as appropriate) immediately upon request of the Company, and, if the Transfer Agent is able to deliver such Common Stock to the Investor's account pursuant to the DWAC system of the Depository Trust Company, the Transfer Agent shall make delivery pursuant to such system and provide the Investor with confirmation thereof in lieu of such Common Stock certificates.

3. FEES OF TRANSFER AGENT; INDEMNIFICATION

The Company agrees to indemnify the Transfer Agent and its officers, employees and agents, against any losses, claims, damages or liabilities, joint or several, to which it or they become subject based upon the performance by the Transfer Agent of its duties in accordance with the Irrevocable Instructions.

4. THIRD PARTY BENEFICIARY

The Company and the Transfer Agent acknowledge and agree that the Investor is an express third party beneficiary of these Irrevocable Instructions and shall be entitled to rely upon, and enforce, the provisions thereof.
